

LOCALS

Nearly every night this week there has been games in the Gym and a general good time has been reported.

Supt and Mrs Chalcraft left on Tuesday for a trip to Tillamook. They are expected to arrive home tomorrow.

Mr. Brown, husband of one of our teachers, arrived from Fort Simcoe within the week to spend the holidays with his wife.

The shoe shop now has a new shoe sewing machine. It was installed during the week and is a splendid machine. It was greatly needed and of course proportionately appreciated.

The Nesika Club held an important meeting last week and formed a new constitution. They expect to give another minstrel soon that will out-class anything ever seen on the Chemawa stage. We are all very anxious to see what it is.

Mrs. Gussie Schlye and child have been at Chemawa during the past week. Mrs. Schlye is a sister of Robert Cameron and is enroute from Washington to Willows, California. She dropped over for a visit with Robert who is now at Chemawa.

Henry Darnell, the valedictorian of this year's class of graduates, dropped in upon us on Tuesday evening from his home in Kalama, Wash. Henry was one of our printer boys while here and we were all pleased to greet him. He is well and getting along all right.

A splendid turkey dinner was served at the Employes' "Mess" on Christmas day. In every way it was a pleasing

dinner and thanks are due Miss Royer and her efficient force for the efforts which they put forth to insure so delightful a banquet at the "Mess"

On Wednesday evening the Belles of McBride Hall gave a party to a number of their friends. The function was held at the Small Girls' Home. Mrs. Douglas was the chief patroness. It was a most memorable social success in every way. A splendid program was rendered, and there were games, music and other entertaining features to help the fleeting moments to pass all too quickly. At the proper time most delicious refreshments were served. It certainly will be remembered by all who attended as one of the memorable social events of the season.

STAINED GLASS WINDOWS.

In the cathedral at Chartres there are 1350 subjects in 143 windows. York cathedral has 117 subjects in one great window. Canterbury, Lincoln and Salisbury have beautiful examples of early glass.

There are many more in France and often the same workmen had windows in different towns. They traveled about in companies, or guilds. In the event of an English military invasion of France, they carried on their peaceful craft in England, and during a tranquil season across the channel there they were.—Ex.

On account of the holidays we, the printers, have abbreviated our work on this issue. We expect to do the same next week, but after that we promise a normal issue.

IN ORDER TO SECURE a change of address, subscribers to THE CHEMAWA AMERICAN must give old as well as new address to insure prompt attention.....
