CHEMAWA 33—McMINNVILLE 14

By defeating the McMinnville aggregation on our floor last Saturday evening by the above score, we were made champions of the Willamette Valley League. This game was fast and interesting and well worth witnessing. The visitors were out-classed from the word "go". Clements, our speedy guard, and Powers, our center, did some fine playing and basket shooting.

The whole student body assembled in the Gym to witness the last league game of the season on our floor, and when they got started to root for the home team, you couldn't hear yourself think.

Between and before the halves our band furnished good music. After the game a social was held and every one had a good time. Our boys will go to Philomath tomorrow and play their last league game with the Philomath giants. Watch them win the game and also a big oyster dinner.

CHEMAWA 26—

PACIFIC COLLEGE 8.

The game that registered the above score was played on our floor on Friday evening. This game, although a little rough at times, was fast and interesting and very few fouls were called on either side.

Our boys started to play rings around the visitors from the start and we were confident of them winning, which they did. This team defeated our boys when they went to Newberg and we showed them what we could do.
