LOCALS

Last Sunday we had all sorts of weather.

Mr Clardy made a trip to Salem on Tuesday.

Reginald Downie made a trip to Salem on Tuesday.

Willie Lee is now playing snare drum in the band.

The report cards were given out on Monday and Tuesday by the teachers.

Sunday, if the weather is good, there will be a game of baseball, the first game of the season, between a couple of pick-up teams.

Mr. and Mrs. Antoine Caisse and family have moved into the house just south of the Chemawa cemetery. Their household goods arrived within the week.

Tomorrow will mark the 32nd anniversary of the Chemawa school. As has become the custom the employes and pupils will assemble in the chapel in observance of this historic occasion. A full account will be given in our next issue.

Word has reached us to the effect that that Nellie Boswell, who left this school about a year ago, was married recently to Charles Gaum, assistant postmaster at Cordova, Alaska. Many friends at the school will wish Nellie a long and happy life.

Supervisor Wilson R. Gill, president of the Patriotic League and propounder of the "School City" idea, is again visiting at Chemawa in the interest of the "city" which he incorporated at this place a year ago. Since leaving here last year he has been engaged at various schools of the service.

Miss Virginia Wechter, who was employed here for some time in the capacity of temporary clerk, left for her home in Salem on Saturday. On the evening before her departure Miss Wolfe gave a little party in honor of Miss Wechter. A very pleasant evening was spent by all who were present.
