

LOCALS

The weather has been ideal for the last week or so.

Peter Scott left for his home in Washington on Monday.

George Washo was a visitor at the school last week. He left on Sunday for his home in California.

Companies A and B are now drilling with guns and getting ready for commencement, which is not very far away.

The Reliance and the Excelsiors had a field meet last Friday and the school students were out and we all enjoyed it.

Brown Jones and James Wilcox left on Monday for their homes in Alaska. We were all sorry to have them leave us.

On Monday morning there was no school on account of the boiler in the academic building being out of commission.

The printers are all glad that a new printing press has arrived here. And they hope that it will be installed in the printing office soon.

Tomorrow afternoon our first team will play the Willamette University nine on our grounds. Come and see the game; most likely it will be a very interesting event.

Nick Hatch has established a pressing and cleaning department in room No. 7 in Mitchell Hall. His prices are low and his work is most satisfactory in every way. Give him a trial.

Supt. Sharp came down from Lapwai recently and paid us a brief visit, which pleased us, one and all, as he is a very pleasant gentleman. Quite a number

of new pupils came with him to Chemawa.

A sister of Miss Hall arrived at the school last week from Siletz, and together the sisters passed a week-end visit with relatives at their home in Newberg.

The Tigers' baseball team is on the lead in the Rose Avenue League. They played two games and won them both, which gives them a percentage of 1000.

The boys are practicing hard and faithfully for the big relay race which will be held in May. Many of the boys are showing up well and making very good time. We hope to come out victorious in the race.

Supt. Chalcraft is just getting around a little after having suffered a most severe and serious attack of erysipelas which kept him bedfast for several weeks. We are much pleased that he is improving after so severe an ordeal.

Great interest is being taken in the swings which were erected in different places on the grounds. The swings are constantly going. This is very good exercise for the students and will keep them out of the buildings more.

Our first baseball team played the Salem High at Salem last Saturday afternoon. From what we hear, the game was fast and most interesting. Our boys played good ball and won by the score of 11 to 5. A home run hit, over the fence, was made by Burney Wilson.

Misses Maude Lowry and Lubova Sittsoff joined the Salem delegation and went to Corvallis last Friday as representatives of the Chemawa Y. W. C. A. The state convention was in session at Corvallis for nearly a week and our representatives did not arrive home until Wednesday. We are informed that they had a good time.
