

EMPLOYEES' PARTY.

Group Two entertained Group One at the Domestic Science building on the evening of April 29. The rooms were very tastily decorated; the color scheme of lilac and white was carried throughout the house.

The entertainment committee did them-elves proud. Each guest entered into the festivities of the evening—a conundrum to himself as to his own identity. A most illustrious crowd was present—among whom was found Col. Roosevelt, Uncle Sam, Thos. Edison, Madam Eames, etc. When all had settled the question of “Who Am I?” they then entered one of the four university teams for an indoor track meet. When the fun of choosing their captains and leaders and practicing their yells was over they were ready for the following big events:

30-inch dash; shot put; low hurdles; hammer throw; relay race; standing broad grin. All contestants entered the meet with a vim—being spurred on by much yelling and waving of pennants. The rooms rang with the encouragement of the rooters and much excitement prevailed through the meet. Kansas University won the highest number of points—Princeton a close second and Yale third. An “immense” box of candy was awarded the Kansas U. team.

The refreshments were a credit to the committee on the same. Hardly to be excelled in quantity, and daintiness in serving.

During the course of the evening a number of choice selections on the piano and cornet were rendered by Miss Brewer and Mr. Larsen.

The pin contest was certainly right to the “point”—and was enjoyed by all.

Mrs. Hincks won first prize—a pin tray; and Mr. Mitchell the booby—a billiken.

The good-nights were then said and all went away feeling they had been very pleasantly entertained.

BREVITIES.

A few boys went to town to see the circus, and some of the girls went, too.

Julia Darkee is making Amanda Duncan a pretty beaded belt. Amanda is expecting to wear it out to the relay race.

A number of McBride Hall girls went out for a walk on Sunday chaperoned by Miss Royer. We all had a very pleasant time gathering flowers.

We have all heard of the swift Indian team of the Grande Ronde reservation which Mr. Joseph Teabo, formerly baker of this school, has organized, known as the “Chinook Indian Team,” which is traveling and playing various teams of the Pacific Coast. They lost their first game with the Multnomah Giants, the score standing 17 to 8.

Y. M. C. A.

The Y. M. C. A. held its regular meeting in the Senior room in the Academic building, on Tuesday. The meeting was called to order and a song was sung after which we had a prayer by Mr. Irving. Another song was sung and the roll was called—each one responded with a verse from the Bible. We then took our places in class for a brief study of the Bible. We then sang the last song, after which Mr. Lund gave the closing prayer. As the time was well taken up we then dismissed with the watch word.
