

LOCALS

Miss Dohse paid her friend, Mrs. Tapp of Portland, a visit last Saturday.

Mrs. Mann and Mrs. Liphart were among those who went to Portland on Saturday.

Some new machinery has been received at the engineering department for repairs for the laundry.

A new circular cross-cut saw has been installed at the wood shed, which is a big help to the wood boys.

Stephen Nekeroff has been added to the engineering detail and Mr. Van Tassel says he looks good.

The small boys are all glad to get back to their swings after being obliged to "keep clear" for some time.

Mr. Antoine Caisse has accepted a position in the Indian Service and is at present at the Umatilla school.

A field meet has been scheduled with Pacific University, which is to take place here on the 25th of this month.

Mike McCloud and John Hanson gave the machine room in the plumber shop a good cleaning out on Tuesday.

The blacksmiths are busy getting a good supply of clevises on hand so in case of emergency they will not be rushed.

A letter has been received from Henry Darnell, class of '11, in which he states that he will be here in June to visit his friends.

Joe Dillstrom and a force of boys began on Monday to repair the old fence which encloses the big grain field west of the school.

Johnnie Jackson is fireman this week at the power house. Johnnie has been here but a short time and he is learning his trade very fast.

The baseball team has began practicing again after being delayed for a long time on account of some of the players being on the relay team.

The companies of the school battalion are again getting out early in the morning for company drill, after being kept inside by the wet weather.

Frank Johnson, who has been working in the blacksmith department but a short time, is already learning how to make tools for his own use.

The walks about Brewer Hall are kept nice and clean by John C. Adams and his company of buglers, who sweep them every morning after breakfast.

School gardens are being put out by all the classes in the academic building. Each class has its day to go out and do whatever may improve the gardens.

Miss Hall had as week-end guests a nephew and niece from Newberg, Oregon. The youngsters seem to have had an enjoyable visit. They returned home on Monday morning.

A social was held in the gymnasium on Monday evening at which ice cream and cake was furnished and served by the employes. It was plain to see that everybody had a good time.

Mrs. Brewer, Mrs. Smith, Miss White, Miss Brewer, Miss Wechter, Miss Wolfe, Sara and Ruth Brewer were among those who went to Portland on Saturday to see the finish of the relay race.

Walter Miller, better known as "Bishop," is in charge of a crew of boys who are repairing one of the wood cars used in the power house. "Bishop" says when it is finished "call around and see the automobile dumper."
