SAID OF US.

We are pleased to report that our chamber music organization made a genuine hit in Salem last week. The Daily Capital Journal said:

"One of the finest of programs was presented to the public last Wednesday evening in the auditorium of the Christian church. The personnel: Ruthyn Turney, Miss Maude Lowry, William Ready, violin; Pickering Chalcraft, viola; Charles E. Larsen, cello; Miss Fannie Adams double bass; Miss Gertrude Brewer and Miss Emma Shepard, piano, are finished musicians The rendition of this program was most beautiful and effective, the string instruments singing in perfect unison, with sweet accent, that comes from perfection in bowing. A large audience heartily applauded the numbers."

In the Sunday issue of the Statesman was a very extended write-up of the concert, in which great praise was given the program and the performers. The following excerpts will show the appreciation which greeted our instrumentalists on this occasion:

"On Wednesday evening a treat in the way of a musical event was given at the First Christian Church by the Chemawa Musical Club.

"The Club possesses fine talent throughout, as demonstrated by the work of every member, and the splendid program given by them on Wednesday evening, which will be long remembered by those who heard it, and which was one of the year's foremost musical events in Salem."

Rena Mann, who recently underwent a surgical operation and who at present is in a hospital in Salem, is reported to be getting along nicely. We are pleased to report this.
