U. S. Marines Leave China.

Manila, P. I. — Admiral Joseph M. Smith, commander of the Asiatic Squadron, who has just returned from China, brought back with him the three companies of American Marines who took there a few weeks ago, when they were sent to China to take internal precautions to protect American citizens and property. The marines returned on the flagship Huron which was ordered to maintain order to protect American interests, Admiral Strauss said.

Epsom Salt Beds Found.

Rend, Or.—Although Epsom salts to supply the world, table salt sufficient for all central Oregon at least and a valuable salt of potassium of quantity not yet determined—these are the mineral ingredients of two small lakes nine or ten miles beyond Fort Rock, reports W. A. Beaver. Rights on the lakes have been secured by W. A. Beaver and his sons, Ray and Troy. The lakes are now being worked on a small scale.

CAKE FILLINGS

IF ONE is fortunate enough to have a cupful of sour cream a most delicious cake filling may be prepared with sugar and nuts. Roll one cupful of sour cream with one cupful of cream until it may be stirred into a waxy mass, then add one cupful of minced hickory nuts or any nuts at hand—peanuts are especially good. Beat until cool and creamy, then spread on the cake.

Maple Raisin Filling.

Take one cupful of maple sugar, two table spoons of chopped raisins, one-half cupful of chopped breadcrumbs. Cook the sugar and cream, adding the raisins. Stir until cool, adding the nuts after taking from the heat. Fill filling for gold cake.

Strawberry Whip.

Boil one-half cupful of water and one cupful of sugar until it spins a thread, pour over the stiffly beaten whites of two eggs and beat until smooth. Add one cupful of fresh strawberries and use on top of angel food.

Crème Tart.

Boil together until it spins a thread, one-half cupful of cranberry juice, one and one-half cupfuls of sugar and a pinch of salt. Pour over the whites of two eggs. Beat until smooth and thick.

Fruit Filling.

Take one-half cupful each of chopped dates, figs, apple and sugar. Stand until all the fruit is softened in the juices, then simmer until soft and jellylike. Cool and spread over layer cake or split gingerbread.

Sort Fudge.

Take two cupfuls of sugar, three-fourths of a cupful of milk, one tablespoonful of butter, two tablespoonfuls of grated chocolate. Boil and beat until thick and cool. Add one-half cupful of fruit chopped. If one likes a change.

Wonderful Human Bones.

Hummer's bones were so wonderful that he was able to do things which he would have been unable to do in any other way. He proved that they will bear a pressure three times greater than oak and almost as much as wrought iron before being crushed.

Latin Words in Our Language.

The Norman-French people who settled England gave to English-speaking people several thousand words with a few alterations. Then at the revival of Learning, a still greater number of Latin words came into our language. The Latin words became familiar; the word natio appeared as nation; the word opinto as opinion; and so on with thousands of other words. And, since that time, new Latin words have been coming yearly into our language and settling there.—From "The Art of Writing English."

Too Late.

After a woman has been married two years she wonders how she could have believed the things her husband said during their courtship.—Hamilton Herald.
