Grant Never Said Much But He Stuck To His Job --- So Does Coolidge

Performances Are Better Than Promises—
Don't Trade Realities for Uncertainty.

Our country is in safe hands today—why change? Conditions are sound and wages higher than they have ever been. Why not let well enough alone?

Excessive tax burdens have been lifted by Coolidge and his party. More than 4,000,000 heads of families were helped by the 25 per cent cut in income taxes.

Noisance taxes were removed. There is no longer a tax on automobiles costing less than \$1000, nor on theater tickets costing less than 50 cents.

"I WANT THE PEOPLE TO WORK LESS FOR THE GOVERNMENT AND MORE FOR THEMSELVES" — COOLIDGE

The administration passed three revenue acts slashing taxes. The latest one alone saved the people more than \$400,000,000 a year, or almost \$4 for every man, woman and child in America.

The people are being saved \$6,000,000 daily in taxes as compared with 1921. The cost of government has been cut that much. The national debt has been reduced \$2,750,000,000 in three years. Waste of public money has been stopped and billions saved to the people. There is a treasury surplus that will justify another cut in income taxes.

PROSPERITY IS SWEEPING OVER THE COUNTRY WITH A RISING TIDE

When this administration took office, there were bread lines, unemployment and general distress. All this has been changed. Unemployment has been wiped out and prosperity restored. Liberty bonds, that sold then around \$6, are worth more than par today.

Just as the Dawes budget fixed a policy of domestic economy, the Dawes plan gave the world new hope. German finances and credit are restored. She is again buying American wheat and the price has turned sharply upward.

The Dawes plan is a stroke of genius. It is the greatest peace measure since the armistice. It opens the way to the restoration of Europe and restores great markets for American goods and farm products. It assures the United States of payment of war debts owed by foreign nations.

THESE ARE HONEST, SOUND, SENSIBLE, CONSTRUCTIVE ACCOMPLISHMENTS

Don't be misled by wild promises or wilder charges by the out. Vote November 4 for the constitution and your own best interests. Vote for a government of common sense.

Recorded Damage Due To State Income Tax

8 Timber purchases cancelled or suspended	\$18,000,000
11 Construction of lumber mills, towns, logging camps and logging railways, abandoned or suspended	7,875,000
32 Other industrial investments cancelled or suspended	4,578,000
8 One year's operating pay roll on foregoing items	5,680,000
8 Disincorporations, \$4,000,000 capital. Damage listed 1-10	460,000
10 Actual removals from the state, including loss of only one year's pay roll	2,440,250
22 Threatened removals, including loss of one year's pay roll	2,218,500
31 Cases as to which definite amounts are not available, but which would amount to many millions; damage listed as	0
34 Cases still under investigation; would amount to many millions; damage listed as	0
21 Cases in which reported removal or investment elsewhere was stated to have been caused by the income tax, but which cannot be verified in writing; damage listed as	0
Total recorded damage	\$41,252,350

We have examined the signed statements and exhibits upon which the foregoing tabulation is based and find that the total of \$41,252,350 is a conservative estimate of damage properly attributable to the state income tax as a determining factor in influencing decision against Oregon investment in the cases listed. We also find that many additional amounts could have been included justifiably in the total, so that, making allowance for possible overstatements in individual items listed, the actual loss of investment attributable to the state income tax is materially in excess of \$40,000,000.

The Show Place of Champions

The Pacific International Livestock Exposition, organized but a scant fourteen years ago, is today the largest general livestock show in America, rivaling the Nation at Chicago in its horse, beef cattle and swine exhibits and even surpassing in many respects the National Dairy Show.

Here under one great roof covering 16 acres, world's livestock champions and other notable stock come from many distant states to compete for premiums totaling \$90,000. This year's show combines:

Gigantic Livestock Exposition, Dairy Products Show, Land Products Show, Northwest Hay and Grain Show, Western Winter Poultry Show, Night Horse Show, Industrial Exhibits, Daily Auction of Dairy and Beef Cattle.

Over 125,000 people attended last year, availing themselves of the opportunities offered for studying ways and means of profitable livestock raising in the West. Why not attend yourself this year and then talk over the matter of bettering and increasing your own livestock with us here at the Turner State Bank? You will never find us lacking in encouragement and assistance.
