CHURCH OF CHRIST

Last Sunday was a day full of good things. First it was Children's Day and the little tots were all good in the program. Little Lucille Fones sang a solo that was very sweet. After an earnest sermon by Mr. Shelley two converts came forward, Mr. and Mrs. Anderson, and were baptized right after the service. The evening hour was given over to the High Baccalaureate sermon. The pretty girl graduates, with as many young men, attended by Prof. Bidgood, marched in while the orchestra was playing. The program proved a community meeting of real interest and entertainment. No real change from the usual order of evening service was offered but the sermon delivered by Ralph Putnam, of Court Street Christian church of Salem was of unusual excellence and the singing by Eleanor Moore, accompanied by Mrs. Geo. Moore, will be long remembered for its sweetness and appeal.

After the services, Mr. Taylor presented Mr. Shelley with a gift of ten dollars in token of gratitude. The congregation thought that they would lose Mr. Shelley as their minister, but eventually succeeded in retaining him for another year, and were so glad they said it with a gift.

We will have a meeting at the church next Friday, all day, the men to clean the yard, the ladies to furnish a fine dinner. All workers are invited. We also invite all to attend Sunday School, Christian Endeavor, and Church next Sunday.

C. A. Bear was in Portland, Thursday.
