### CHURCH OF CHRIST

We had a very fine attendance at Bible school last Sunday. We expect more next Sunday. The banner for quarterly attendance is in the balance. Come and help us win by attending Bible school December 20th and 27th. If we win it this time we will keep it, so don't fail us.

The regular preaching service will be held as usual. Subject will be announced later. There will be a Christmas pantomime in the evening. You enjoyed the others. Come, you are welcome.

C. E. Topic: "Why is Christmas a Time of Joy?" Can we bring joy to others? Let us try.

Christmas Eve this church will have a tree and a fine program with treats for all the children who came. Rejoice and be exceeding glad, for God so loved the world that He gave his only begotten Son that whosoever believeth on him should perish but have eternal life. John 3: 16. "Rejoice, again I say Rejoice."

### THE NIGHT BEFORE CHRISTMAS

When Xmas came Mary was so good and so was Ben. They both had done their work well so Santa Claus would come to see them. As soon as night came Mary got the dishes done, while Ben got the horses done outside. When Xmas morning came, Mary and Ben jumped out of bed to see what Santa had brought. When they got in the room, there was a Christmas tree full of toys, and candies. On one side was a jumping jack, on the side were wooden soldiers, the the French Doll was against the trunk of the tree, and right beside her was a toy trunk. The mouth harp was nearly on top of the tree. The Elephant and the Lamb stood side by side, and the Little Pitcher was hanging on the tree. It had red roses on it. The first thing the mother gave the presents out. Then they played with them til they got tired.

When a man does a noble act, date him from that. Forget his faults. Let his noble act be the standpoint from which you regard him. There is much that is good in the worst of men.—Bellows.

### Mental Faculties Lusted

Doctor Johnson and James Watt wished to test whether their mental faculties had become impaired with age. Johnson learned Low Dutch at seventy-one, and Watt learned German at seventy-five. Both mastered these languages and found that their faculties were unimpaired.
