#### CHURCH OF CHRIST

Our all day meeting last Sunday was a success. We have great plans for the future, but without the help of the good people of Turner they will surely fail. It takes work to carry them through but a person has just to remember God's promises and it gives him new hope to carry on.

The church is warm and nice now since Brother Day is on the job as janitor. Brother Shelley is delivering some of the best sermons that have been given from this pulpit. Sunday morning he will speak from the subject "Campaigning for Christ." Are you working for the Crown of Life? A person is either for or against Christ. It is the evening of the subject will be "The Marriage of the King's Son." These two sermons will be of very vital importance to you.

There are from 25 to 30 present for Christian endeavor every Sunday evening. Are you enjoying the fellowship of these great inspirational meetings. Each Sunday as a special, different individuals give the life of some outstanding Bible character of the Old Testament.

**PIONEER OF 1845 LAID TO REST SUNDAY**  
 Francis Marion Cook was born near Springfield, Mo., March 8, 1839. A son of Isaac and Sarah Cook. He emigrated with his parents to Oregon in 1845, who located three miles south of the present site of Turner. With the exception of seven years, 1 in California and 6 years in Grant County, Oregon he spent his entire life since his emigration in the old donation claim. On Sept. 26, 1907, Mr. Cook was united in marriage to Mary J. Edgar, who died March 26, 1903. To this union there were born six children. A number of years later he was again united in marriage to Sarah Ewell, who died in February 1916. Mr. Cook is survived by 3 sons and 8 daughters: Mrs. Mattie Hone of Salem; Newt Cook of Marion; Frank Cook of Turner; Mrs. Nellie Miller, Turner; Mrs. S. J. Neal Oakridge; Tom Cook, Heist. He also leaves a score of grandchildren and great-grandchildren to mourn his loss. Funeral services were held in the M. E. church Sunday afternoon at 1 o'clock. Burial at Hunsaker cemetery, Rev. C. W. Pogue officiating.

HOG PRICES AND RECEIPTS FOR 1925													
PRICE PER HUNDRED POUNDS	WEEKLY TREND OF HOG PRICES AND RECEIPTS												
	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC	
\$ 14.00													TOTAL NUMBER OF HEAD SLAUGHTERED AT 11 LEADING MARKETS
\$ 13.50													1,050,000
\$ 13.00													950,000
\$ 12.50													850,000
\$ 12.00													750,000
\$ 11.50													650,000
\$ 11.00													550,000
\$ 10.50													450,000
\$ 10.00													350,000

Hog prices in 1925, according to a market analysis by the Sears-Roebuck Agricultural Foundation, have been the highest since 1929 and the number of hogs slaughtered nearly 20 per cent less than in 1924 and 1923, when production was at a record level. With prices approximately 20 per cent higher this year than last year, hog producers have had an especially profitable season. The range of prices has run from \$10 to almost \$14.50 per hundred pounds, the peaks being reached in March, July and September. The ratio between prices of hogs and corn prices turned favorably for the feeder just spring and is now the best that it has been since 1922. Last spring's big crop in the corn belt, which is now coming on the market, was expected to be 10.6 per cent less than the big crop of the spring of 1924. This indicates that rather high prices are likely to be maintained during most of the 1925 season, unless a very large crop of hogs is produced and pushed rapidly into the markets. Excepting the months of January and February, receipts at the eleven leading markets of the country have gone below the 675,000 head and from June to October have been below the 550,000 mark.
