Who's Under You?

By A. L. Benson

So you talk, and haggle, and dicker. The dealer does the same. Night falls, or you do and the deal is closed.

You got a big "discount" off the list. Or a long "trade" for your old tires. Or "service station prices" or something.

How do you know you got the bottom price? Maybe you gave up too soon. Who's under you, when it comes to bedrock in tire-buying?

No use worrying about such things when you deal with us. Our prices, like the quality of our goods, are non-skid all the time.

We think you're smart enough to know that we have to make a fair profit to stay in business. And we aim to stay in business. We sell Goodyear Tires because they're the best you can buy, and our prices are low.

THE "LITTLE CHURCH AROUND THE CORNER"

Revival services have been going on in the "Little Church Around the Corner" for the past two weeks. Rev. Ira Dumas told the Gospel story each night in a simple way that everyone could understand. His sermons were full of feeling and carried a strong appeal, backed by the power of the Gospel, searching out the hearts of the listeners. Many of the young folks have risen to walk in newness of life with Christ, as well as some of the older folks. Brother Dumas is a converted Catholic and a believer in the "Old Time Religion." Last Friday night he told the story of his conversion to a large congregation. Rev. Dumas was appointed to the pastorate of the Methodist church at Pratum last fall, and has already done a great work there. Sunday afternoon the service was in charge of a gospel team from the Pacific Evangelistic Institute of Portland, assisted by some folks from Salem, and was one of the best meetings of the series.
