W. J. WEDDLE

Republican Candidate for Nomination, for Representative, First Representative District comprising Marion County.

My Pledge to My State
If nominated and elected I will make it my business to carefully consider the needs of your state, and give my best efforts to represent all of the people of our state.

In the present rapid development of our state we realize there will be many important problems that will come before our next legislature that will need our careful and honest consideration, including our automobile laws, drainage of low lands, land settlement, irrigation, development of electric power, schools, our usual tax problems, protection of our fish and game, commercial fishing and hundreds of others of great importance to our state which means our people in every community.

The needs of the people of our great state cannot be realized in a few short paragraphs or accomplished by any one legislator for your community or state.

However, you have the privilege of making your own choice of the legislator that represents your district, and have a right to expect a reasonable consideration.
