R. Lee Theissen received word of the serious sickness of his mother, Mrs. W. Theissen of Milwaukee, Oregon, who suffered a stroke of apoplexy. She was transferred to the Oregon City hospital and the entire family was summoned at her bedside.

METHODIST CHURCH

There was a large congregation present at the Easter program. There were several special selections by the choir, a number by the male quartet and a solo by Mrs. Peacy. The Easter story was illustrated by a pageant given by the young people of the Sunday School. The parts were well rendered. The pastor opened the program with the reading of the Easter story and prayer. The program committee consisted of Mesdames, Gunning, Martin, Prather and Milton. The subject theme of the pageant was The Resurrection.

The Sunday School showed a marked increase in attendance the last few Sundays and with the coming of the warm spring days should continue to increase.

Friday night the moving picture, the Transgressor, will be shown under the auspices of the Anti Saloon League. This is a community meeting. The Rev. R. E. Close will speak.

Remember the quarterly convention of the Santiam District Bible Schools at Mehama, next Sunday. Let us have as good a representation as possible.

The Ladies Aid will hold their monthly silver tea at the home of Mrs. J. W. Ransom, Friday afternoon.

The services next Sunday are as follows. In the morning the pastor will speak from the subject "I will come again." John 14:3. In the evening Lantern Slide pictures will be shown. The pictures illustrating the Lecture, "New Adventures in Faith."

The Epworth League subject is Making Our Friendships Christian. Matthew 5:13-16. Kenneth Bear is the leader.

Beginning with this week, including prayermeeting, all evening services will be half hour later.

cate that the use of oil products promises to be the most successful and least expensive method for raising low-type road surfaces to a condition satisfactory to meet public demands," says Mr. James. "Improvement of low type roads, such as gravel, sand clay, and graded and drained earth, is one of the most serious problems facing the highway engineer and the several states today."
