# That COLD

Colds come suddenly. You can often end them just as quickly! Take Bayer Aspirin the moment you've caught one. A single sneeze should be the signal, or the first sign of congestion or headache, or soreness. Exposure to cold and wet isn't half so serious when you've learned to protect yourself with Bayer Aspirin. For the speedy relief of colds, headaches, neuralgic or neuritic pain, and even the acute suffering caused by rheumatism, there is nothing so sure and so safe as genuine Aspirin tablets stamped Bayer. They make a marvelous gargle, too. See proven directions in every package.

"Our physician told us to g some California Fig Syrup. It made her pick up right away, and now she is as robust and happy as any child in our neighborhood. I give California Fig Syrup full credit for her wonderful condition. It is a great thing for children."

Children like the rich, fruity taste of California Fig Syrup, and you can give it to them as often as they need it, because it is purely vegetable. For over 50 years leading physicians have recommended it, and its overwhelming sales record of over four million bot! tles a year shows it gives satisfaction. Nothing compares with it as a gentle but certain laxative, and it goes further than this. It regulates the stomach and bowels and gives tone and strength to these organs so they continue to act normally, of their own accord.

There are many imitations of California Fig Syrup, so look for the name "California" on the carton to be sure you get the genuine.

As a young man the late Dr. R. V. Pierce, practiced medicine in Pennsyl-vania and was known far and near for his great success in alleviating disease. Finally he moved to Buffalo, N. Y., and put up in ready-to-use form, his GOLDEN MEDICAL DISCOVERY, the well known tonic for the blood. This strength builder is made from a formula which Dr. Pierce found most

effective when in private practice. It aids digestion, acts as a tonic and enriches the blood—clears away pimples and annoying eruptions and tends to keep the complexion fresh and clear. All druggists. Tablets or liquid.
