# How are you going to vote on the "Grange Bill"?

Do you understand it? Have you studied this important constitutional amendment?

**People's Water and Power Utility Districts Constitutional Amendment**

That Article XI of the Constitution of the State of Oregon be, and the same hereby is, amended by the addition of the following section, to be known as Section 12:

Section 12. Such districts shall be managed by boards of directors, consisting of five members, who shall be residents of such districts. Such districts shall have power:

- (a) To call and hold elections within their respective districts.
- (b) To levy taxes upon the taxable property of such districts.
- (c) To issue, sell and assume evidences of indebtedness.
- (d) To enter into contracts.
- (e) To exercise the power of eminent domain.
- (f) To acquire and hold real and other property necessary or incident to the business of such districts.
- (g) To acquire, develop, and/or otherwise provide for a supply of water, water power and electric energy.

Such district may sell, distribute and/or otherwise dispose of water, water power and electric energy within or without the territory of such districts.

The legislative assembly shall and the people may provide any legislation, that may be necessary, in addition to existing laws, to carry out the provisions of this section.

Read it as carefully as these 191 voters did

*In your Voters' Pamphlet is a list of 191 Taxpayers who fear that the proposed districts will drag in property from all directions to share the tax burden. They say nothing can limit the size or the bonded indebtedness of the districts*

Above is reproduced the so-called "Grange Bill," exactly as the official voters' pamphlet quotes it. No voter should go to the polls without reading the measure. To take the word of any political aspirant may mean that you are misled into a wrong vote. Your voters' pamphlet gives interesting arguments for and against the "Grange Bill," on pages 49 to 57.
