Older Girls Will Meet In Eugene March 6 to 8

Girls from all parts of the state will gather in Eugene, March 6-8, for the 19th Older Girls' conference of the Oregon Council of Christian education, according to Mrs. Jean M. Johnson, Portland, director.

The Eugene conference will be based upon findings of two of the six commissions of the Toronto Youth council; Worship and Prayer and Christian Conduct.

Mrs. R. M. Day of Eugene, superintendent of the young people's work for the Oregon Christian Women's Missionary society, will act as general chairman of the conference. She will be assisted by a number of other Eugene and University of Oregon women.

Delegates are to be sent from all Sunday school in the state, two girls from each class. They must be over 15 and under 25 years. Delegates will be guests in Eugene homes. A number of entertainment features are being planned including a large tea at the women's building on the university campus.

The Southern Pacific is offering special party fares to Eugene from Oregon points. Delegates from this city can get full particulars from their local agent. Present plans call for a special train from Portland, leaving at 11:00 A. M., March 6, picking up delegates en route and arriving at Eugene at 2:50 P. M.

An Illusory Law

The bank deposit guaranty law in any form is a snare and a delusion, declares a banker in a state where it has been tried, adding: "It is a license and encouragement to irresponsible banks and banking and penalizes capital solvency and prudent banking. It creates a sense of security in the minds of the unthinking and uninformed that is false and impossible to be realized on ultimately. To compare it to legitimate insurance is without reason and absurd. It jeopardizes the solvency of all banks and the safety of all depositors for the theoretical safety of a few. Guaranty schemes always have been, are and always will be impotent, futile and disastrous. It is not new. Has been tried, failed and discarded at intervals for more than 100 years in this country. No well-informed, honest and intelligent mind can accept it in principle or practice. Competent bank supervision and restriction of banks to territory that will warrant sufficient capital investment and accounts is the only sane and honest course and will afford all the guaranty the depositing public is entitled to as compared with all other human affairs."

What! Trade out of Turner? No! Never! Then why not bring your shoes to be repaired to E. Robinson, located in Mrs. Brigg's house, in Turner, Oregon. Also furniture repairing.
