Hoola! Base Ball Jacks For Openers

Several New Players Will Be In Suit Sunday. Snappy Aggregation Is Expected By Manager Mitchell

Sunday, April 12, marks the opening of the 1931 Cascade League as far as Turner is concerned for the Mill City Lumberjacks are to play the Turner Cackerjacks on the Grey Digger (Cloverdale) diamond, weather permitting.

A good game is assured for these two teams have always put up a scrap for the full nine innings, so come one, come all, give Turner your support and help us duplicate the feat of 1930.

Manager Fred Mitchell has several new men and has guaranteed a team just as snappy and powerful (if not more so), as the one that represented Turner last year.

There will be sixty-nine games played in both the north and south divisions. Because of the locations of the teams the two divisions have been made with the least travel.

The winners of the sections will play a three-game series for the championship, with the first of the series to be played on July 19th. Each team must be in uniform.

Turner won the championship last year and is getting ready to repeat again this season.

The weather has been unfavorable for practice, but it is hoped to be able to get the bunch out before Sunday's game with Mill City and get the boys placed for the opener.

Aumsville and Stayton are in the league this year and between the three towns—Stayton, Aumsville and Turner—there are good games assured the fans.

Two Hundred Fifty Dollars Dog And Boy

METHODIST CHURCH

The choir sang a beautiful anthem, both morning and evening. Lester Burgoyne favored us in the morning with a saxophone solo, besides there were several recitations. Rev. Burgoyne's Easter message were the words of Christ, "Because I live, ye shall live also," which answers so satisfactorily the age-old question, "If a man die shall he live again?" Resurrection to the central theme of the written and spoken word. The Christian's title to eternal life. Morality cannot give life. Many are in bondage today worshipping a Christ on the cross. Thank God for an empty cross and an empty tomb. We have a living redeemer.

The pageant in the evening was such a success we have been asked to repeat it. So let everyone who did not hear it last Sunday avail themselves of the opportunity next Sunday night. It will begin promptly at 8 o'clock. It puts forth the Easter story in a new but very convincing manner. The opening pantomime where Christian walks in her garden is so beautiful it alone would pay one to hear it; then the college youth has all his doubts fully satisfied. Come Sunday night and hear it for yourself.

Next Sunday, too, is our district (Santiam) Sunday school convention. Our church entertains it this time. Program begins at 9:45 a. m. The morning sermon is at 11 o'clock by Bro. Gilstrap; basket dinner will be eaten in the Wright building. Let's fill up those basket good that every one may have plenty.

Lots of big things on this month: The district Brotherhood hold their big meeting in our church the 15. Remember that's next Wednesday. The Ladies Aid are planning a chicken dinner for them. It will also be given in the Wright building. All the men of town and surrounding communities are urged to attend. The banquet will be 50 cents a plate. The after program, of course, will at the church.

W. C. T. U., Marion county convention, will be held in Turner the last Wednesday in the month, April 29. Particulars will be printed later.

Auto Accident

While W. H. McNeal was taking his daughter-in-law, Mrs. Geo. McNeal and children to their home at North Santiam, Friday, his car collided with a car from Vancouver, Wash., at the three corners at West Stayton. All the occupants were badly shaken and four-year-old Standley McNeal suffered a bad cut on the face which required four stitches to close the wound.

Former Turnerite Visits Here

Mrs. H. L. Earl of Ardenwald, Oregon (formerly of Turner), has been renewing the acquaintance of her friends for several days, leaving on Thursday for a visit to some friends in Salem. On Wednesday Mrs. Prather and Mrs. Earl drove out to the Delzell home.

On Thursday afternoon of next week the missionary society of the Christian church will meet at the home of Mrs. H. S. Bond. The study topic is "Poland, and Barriers to Bolshevism."

Nation's Typical Boy and Dog Sought Here; Prize and Fame Offered Pair by Kennel Foundation

Wanted—America's typical boy and dog!

The Chappel Kennel Foundation, Rockford, Illinois, in its search for the nation's typical youngster and canine pal, has appealed to The Tribune for aid in finding them if they happen to be located in this section.

Two hundred and fifty dollars in cash and immortality by having their likenesses reproduced in oils on canvas by a famous artist await the chosen pair, which the Foundation is anxious to preserve for the inspiration of future generations as a symbol of the high type of companionship represented by the boy-dog combination of our own day. The winning team will also be presented to many notable, will probably be starred on the radio and in the movies, and in general enjoy the plaudits of an admiring multitude.

Selection of the winning pair is to be left in the hands of a jury of prominent men and women which is now being completed. The choice is to be made from nominations which the public is invited to submit to the Foundation prior to September 15, 1931. Photographs of contestants may be submitted with the nominations, but a final decision will not be made by the judges until they have seen and investigated the leading candidates.

To be eligible for nomination to the boy-and-dog contest, a youngster must not be under four or over fourteen years of age. The dog must be his own or that of a member of his immediate family. The age, size, color or breed of the dog are of secondary importance.

In inaugurating the boy-dog search, L. J. Brosemer, director of the Foundation, stated:

"Character building in the young is one of the great problems of the times. The Foundation is convinced that a dog makes a boy a better man and is encouraging every home with a boy to keep a pure-bred dog. A recent study of a large penal institution revealed the fact that less than one per cent of its inmates had a pet to play with in their formative years. Through the boy-dog contest, the Foundation hopes to catch the spirit of this comradeship and perpetuate it in some tangible form for this and future generations."
