NO. 24

\$1000 Tax Relief For War Veterans Co. Assessor Says

Numerous inquiries indicate that the recent amendment of section 69-107, Oregon Code 1930, relating to ex-service men's property exemptions, is not fully understood.

This amendment does not restrict in any manner the exemption heretofore granted to "any honorably discharged union soldier or sailor of the Mexican war, the war of the rebellion, the Indian wars, * * * or the widow remaining unmarried of any Spanish-American war soldier."

In its practical effect the amendment confers the exemption on those veterans only of the Spanish-American war and the World war who have a disability rating of 40 per cent or more. Since the exemption conferred on Spanish-American and World war veterans is limited to those "with a disability of 40 per cent or more, according to official certificate of the United States government," it becomes the duty of any such veteran claiming the exemption to file with the assessor official evidence of such disability rating.

Spanish-American war veterans should make application immediately to the county assessor and should present to him for inspection their discharge papers and their pension papers. It will be necessary for them to have these papers with them in order to get the exemption.

World war veterans must file with the county assessor, a certified copy of their disability rating issued by the United States veterans administration.

Due to the change in the law the assessor has extended the time for filing, however they should be in as soon as possible and not later than the first of May.

Some men are born famous and some acquire fame, while others have their love letters read by the plaintiff's attorney.

Bro. Festler of Turner Boys Home preached for Bro. Gilstrap, Sunday evening. His sermon was fine and well received.

A rousing song service led by Dr. Epley and assisted by a good orchestra and two special songs made the evening musical service a very enjoyable one.

Next Sunday evening Mrs. Kellems of Eugene will bring the message. She is the mother of Dr. Jesse and Homer Kellems who are conducting the revival in Salem.

Mr. and Mrs. Bert Peebles and Mr. and Mrs. E. F. Wallace became members of Surprise Grange No. 233 when they met for the regular monthly all-day meeting Saturday.

Many enjoyed the potluck dinner at noon, which is one of the delightful features of these all-day meetings.

Mrs. Ethel Gulvin, lecturer, conducted a very interesting "Peace" and "Agricultural" program in the afternoon.

The opening number, a group of old songs, was sung by all present, with Mrs. Alice Little as accompanist. Responsive quotation on peace were made by members. With W. F. Gulvin reviewing briefly a recent talk by the national master, George W. Farris, ably told of "economy" in state affairs at the present time, and Fred Steiner contributed some good music.

Game Called Off On Account Of Accident Friday

Seymour Stewart was able to return home Saturday night after spending 21 hours in the hospital at Salem, where he was taken following an injury to his head when he undertook to slide home in the third inning while playing the first game of the season, with Aumsville, Friday. While Stewart is making satisfactory recovery, in all probability he will not play again this season.

Mrs. Adah Spark came from Salem today for a short visit with her small daughters, Elinor and Kathleen, and her father, Calvin Small. She reports her son, Maurice, as slightly improved in health.

The last two quilts are the double wedding ring patterns and are beautiful.

Two Hundred People Attend Sunday School Convention Here

COUNCIL WILL RAISE DIKE ALONG MILL CREEK COMING SUMMER

At the recent meeting of the city council it was decided to raise the levee along Mill creek, making it a foot higher. The recent high water overflowed the banks and flooded parts of the town and done considerable damage to property and the council will see this does not happen again.

That more light may be had, the council ordered that larger lights be installed in the street lighting system which will meet with the approval of the citizens.

The sidewalk along the Ferris property will also be repaired.

METHODIST CHURCH

A very large and profitable convention of all the Sunday schools in the Santiam district was held in our church last Sunday. It was very successful in every way I think.

We are very busy today (Wednesday) getting ready for the big district Brotherhood meeting with a 6:30 banquet tonight. Hope none of the men of the community will miss it.

Next Sunday night the local Brotherhood will put on another of their interesting services at the 7:30 hour. Hear them!

Regular services Sunday morning Sunday school at 10 a. m. Preaching at 11. Come.

Don't forget the county W. C. T. U. convention that is coming to Turner, April 29th. It will be held in the Christian church building and the hours we hope to be able to announce definitely next week. Plan to attend the full day bringing a well filled basket to help pin the noonday spread. An interesting meeting is assured.

Despite the bad weather, fully two hundred members and visitors attended the Santiam District Sunday School convention, held in the Methodist church in Turner last Sunday.

The morning service opened with a song service, followed by the Bible school hour. The convention theme was "Go Ye." Pleasant Point offered special music and Alvin Garner of Turner led the worship service. The morning sermon was delivered by Rev. Gilstrap, pastor of the Turner Christian church.

Miss Mary Harding of Eugene gave a talk on the week-day church schools and a committee comprised of Mrs. Boyer of Mehama, Rev. Wright of Stayton and Rev. E. J. Gilstrap of Turner, were appointed to investigate the feasibility of week day church schools in this district and report in three months. At 2:30 o'clock Dr. Carl Gregg Doney, president of Willamette university, delivered the main address of the day. This was followed by the business meeting and awarding of banners. John Mix of Aumsville presided and Miss Josephine Gilstrap of Turner, secretary-treasurer, made the various reports. It was decided to hold the next convention in the summer time at Mehama, instead of Aumsville. Mehama was awarded the banner for the largest attendance at the convention Sunday and Turner Methodist Sunday school carried off the other two banners for memory verses and average attendance.

During the noon hour a bounteous basket dinner was served in the Gouer building.

Kenneth Hickok opened the afternoon services with group singing and the devotional was by Prof. Mountain of the Aumsville schools.

RAIN STOPS GAME

In a well started game, which only last three inning the local baseball club drubbed out Mill City 7-2. The field was wet to begin, and as the rain continued it proved impossible to continue the game, and both teams agreed to call it off in the third inning.

Webb, the hurler for Turner, showed up with some nice work, fanning three men in the first inning and hold-

ing them to only two hits the next two. The local boys are hitting well and if everything goes well, will duplicate the feat of last season by winning the cup again.

Three innings do not constitute a league game so Turner and Mill City will have to play another game, the date to be announced later. Everybody come and help support the boys, it will be appreciated.
