Final arrangements were completed Wednesday for this dance band to furnish music and entertainment for the Turner dances beginning Saturday nite, May 16th.

The hall has been completely re-wired and re-lighted with beautiful colored lights throughout, also new decorations have been installed for this special series of dances.

Thirty five colored lights produce the most beautiful moonlight effect possible to produce.

In bringing Thomas Bros. Band to Turner we feel we are giving this community postivly the best musical talent

possible to secure. It will be well worth your while even though you do not dance to come out and enjoy this musical entertainment. You are cordially invited to join them in many Satureay evenings of entertainment.

Hoping to meet you next Saturday nite, we are yours for the best time you ever had at any dance.
