BUYS THIS TICKET

EAST

You pay a few dollars more to go East through California than to go direct. But see what those few dollars buy!

California . . . the Southwest . . . the picturesque Old South. Then, if you wish, a delightful ocean voyage from New Orleans to New York, with meals and berth included in this price. Or you can continue East by train from New Orleans. Return on any northern line, and you've completely circled the United States. You've seen more of the United States than you could see on nearly any other ticket.

No matter what your eastern destination, we can include California at only slight additional cost. Summer fares are now in effect. Let us help you plan.

and return on any northern line
