MORGAN'S WILL Asserts Faith

New York.—"I commit my soul into the hands of my Savior in full confidence that, having redeemed it and washed it in his most precious blood, he will present it faultless before the throne of my Heavenly Father; and I entreat children to maintain and defend, at all hazard, and at any cost of personal sacrifice, the blessed doctrine of the complete atonement for sin through the blood of Jesus Christ, once offered, and through that alone." This is the extraordinary and strik-

ing utterance which begins the last will and testament of John Pierpont Morgan. The amount of trusts and bequests

named by specific sums is under \$20,-000,000, but the entire residue of the estate, estimated at \$1,000,000,000 is left to J. P. Morgan, Jr.

The largest individual settlements are made upon the son and three daughters.

Each of the four children receives in trust \$3,000,000 to use the income as he or she pleases.

Mrs. Morgan, the great financier's second wife, is made the beneficiary of a trust fund large enough to insure her an income of \$100,000 a year.

The two sons-in-law, Satterlee and Hamilton, are given \$1,000,000 each. The assistants and servants in the Morgan households and institutions are provided for liberally.

Knox Bill Refused.

Bacramento, Cal.—Through the Panama-Pacific Exposition commission state has refused to participate in the expenses of ex-Secretary of State Philander C. Knox, who visited California hast May estensibly to boost the exposition, on the ground that that official used the occasion to aid President Taft's political aspirations.

Tommy Murphy Defeats Wolgast. San Francisco.—For 16 rounds "Harlem" Tommy Murphy and Ad Wolgast battled, with little to choose between them. Then a missed right swing by the one-time champion was his undoing and paved the way for a fight-end decision in favor of Murphy.

ABROGATION OF TREATIES SOUGHT

Washington,-A demand for abrogation of two treaties with Great Britain bearing upon isthmian canal rights presented to the Senate in a resolution by Senator Chamberlain, brought a new element to the canal controversy now in progress between this ountry and Great Britain over the right of the United States to exempt American coastwise ships from the payment of tolls. Senator O'Gorman, chairman of the interoceanic canals committee which must handle canal legislation in the senate, indorsed the principle embodied in the Chamberlain resolution. The Chamberlain resolution would require the president to proceed at once to terminate the Hay-Pauncefote treaty of 1901 and the Clayton-Bulwer treaty of 1852, which it superseded. In a statement, Senator Chamberlain said the treaties and records would show that the United States never planned to give Great Britain such treaty rights as would justify the protests that country had made.

MINNESOTA GOVERNOR LOSES

Public Utilities Control Bill Passed Over Veto by House.

St. Pani. Minn.—The lower house of the Minnesota legislature repassed over the governor's veto the telephone control bill and the bill providing for the municipal control of public utilities.

Governor Eberhart, in vetoing both bills, gave as his principal reason the belief that the regulation of public utilities should be left to the state. He has voiced his determination of calling an extra session, probably late in the summer, to pass such a measure.

John Mitchell Appointed.

Albany, N. Y.—John Mitchell, expresident of the United Mine Workers of America and a vice-president of the American Federation of Labor, was designated by Governor Sulzer to be state labor commissioner.
