Malheur County Fair Dates Announced

Earlier this year—the Last Week in September Between Boise Fair and Pendleton Round-Up.

Malheur County Fair

DAVID LAMAR

The dates for the Malheur County Fair were announced on the 10th of September. This will bring the fair to the end of the season and the start of the Boise Fair. The reason for this change is to give folks time to get ready and get involved in the fair.

Many novel features are under consideration for the fair, including a new section to entertain the public. Particular at the annual feature of agricultural exhibits, the falconry will be featured, as well as the other annuals of agricultural demonstration; a new section to the 4th of July parade; a farm show for the young folks; a show for the men who raise the major livestock in the West and the attention of those who are putting up better kinds of cattle.

The management committee is working on several new items in their hopes to please the audience at an early date. The members of the planning board have announced that planning the fair for the coming season is a matter of course. The planning is going on at a very fast speed to the extent that the fair is expected to be a success.

Evelyn Staples has Face Baby Powder Burned

Evelyn Staples was quite severely burned about the face Wednesday afternoon while she was cooking some laundry on the wood stove. She is a young girl and the burn is not too serious. She was taken to the hospital for treatment of the burn.

In the beginning the burn was not too serious and no medical attention was given. However, as time went on the burn became more serious and more medical attention was given. The burn was treated with a combination of burn ointment and bandages.

The burn was quite serious and it is feared that it will take some time for the burn to heal properly. The burn is not expected to cause any permanent damage.

The burn was caused by a combination of heat and the burning of the wood stove. The wood stove was not being properly attended and the burn occurred when the burn was not properly attended.
