Remember the stock sale which is to be held the last day of the fair and have your stock ready.

After you put your next meal on the table just sit down and consider the layout for a moment. Ask yourself earnestly, "Have I got the greatest value for the money expended on this meal?"

If you bought your groceries at this store only one answer can be made

—you have done all that a clever housewife can do—your meal is the nearest approach to perfection that is possible in a meal. But only the best groceries—the kind we have built a reputation for, can assure you of this.

Visit our store during Malheur County Fair.

## D. T. MANSKER TAKES LEAD IN AUTO CONTEST

To ride or not to ride, that is the question. Whether 'tis wiser of the man to sit on the fence and take the other fellow's dust or by hustling, get the votes that win the McIntyre.

That is the meat in the contest cocoon today. You have but a few weeks to do the work which means that your dream of the last . . . months will be realized. You have but a few weeks to make the final effort in one of the greatest contests ever carried on in this part of the country.

It seems foolish to urge activity now but that is what the contest department would do. A world of work can be done in the next few months. The sort of work that will protect that which is gone before; the kind of work that makes everything count. There's still a magnificent opportunity to bring every faculty into play. You would not care to think that all your previous efforts had gone for nothing if a little extra effort during the next few months would make you a winner.

Therefore, the Argus takes this opportunity to urge that not only the candidate but their friends use every effort to solve the riddle of the ownership of the McIntyre.

Take advantage of the big crowds at the Fair and see that they vote for you.
