Editor Rigby showed courage in supporting the continuing of the fair, when all his neighbors opposed it.

The Juntura people are to be congratulated on having such a broad minded and aggressive management in charge of their newspaper, the Times. Such a policy always benefits a community by making friends.

The Jordan Valley Express supported the county fair measure, thereby endorsing the policy that what benefits the farmers benefits all classes.

The Grant county court last week appropriated \$750 for the purpose of securing the services of an expert in agriculture to assist the farmers of the county in reaching better methods and results and it is expected Baker will put up \$1250, the two to work together jointly and secure \$2,000 more from the state to provide a man who will attend to the farmers in both counties.

HOLSTEIN COWS BRING OWNER GOOD INCOME

C. W. DeBoer, who has 80 acres under the Shoestring ditch, drew \$207.60 for the milk he sold to the Nyssa cheese factory during November. For December his check will be larger. He has 25 Holstein cows. He is feeding second cutting alfalfa and says this is a natural dairy country.

HOW ONE WOMAN WON

Her Health and Strength Back Again by The Use of Cardui.

Tampa, Fla.—In a letter from this city, Mrs. E. C. Corum writes: "I was all weakened and worn out with womanly troubles. My husband brought me some Cardui as a tonic, and, from the first day, it seemed to help."

I had almost lost my reason, but, thanks to Cardui, I did not. Soon, I felt and looked like a new woman. I think the remedy is wonderful. I recommend it to my friends, for I have received great benefit from it."

Cardui acts specifically on the weakened womanly organs, strengthening the muscles and nerves, and building them up to health.

It helps to refresh the worn-out nervous system and relieves the effects of overwork, both mental and physical. Fifty years' successful use fully prove the merit of this purely vegetable, tonic remedy for women.

In every community, there live some who have benefited by Cardui.

The beneficial effects of this time tested woman's remedy, soon show themselves in many different ways. Try it.

There are but a few days more in which the several candidates for the automobile can work for votes and it is safe to say they will all work full time up to the count on the evening of the 24.

As the end of the contest draws closer, the interest grows greater and the leaders all realize it is possible for any one of them to be in the lead at the finish.

The count will be held in the Ontario Hardware company's store at 11 o'clock on Christmas eve.

Remember that all the stores interested are giving 1000 votes on the dollar on all money received.

The bazaar held by the Episcopal Woman's Guild last week was a decided success, the receipts for the two days amounting to \$77.88. The members wish to thank the ladies of the town for their kind patronage, also to thank the gentlemen who so kindly helped by advertising, loan of building, tables, chairs, stoves, etc; also the transfer men and merchants whose help was greatly appreciated.—Pd. Charles Anderson was in from the ranch Monday for supplies. He says they have not brought their sheep in from the hills yet as the feed is good and the animals are doing well. They will lamb about 5500 ewes at the Butterfield ranch and 3500 at the Crowley. The February lambs are the money makers as they reach the market early and at a small expense to the grower.
