SECOND GAME OF SEASON PROTESTED

A protested game of ball was played here Sunday between the Weiser and Ontario teams. The game was protested because the Weiser team contained Goldstein, a member of the Boise club and Knockabee, of Nampa. One of the rules of the league provides that any club playing men who are not members of the club will forfeit one hundred dollars. In order to make a change in the membership of the club a two weeks notice must be given to the directors of the league.

The game was a good exhibition, with the breaks against the Ontario team owing to the players failing to bunch their hits when they had men on bases.

There was a large crowd present, the representation from Weiser being especially good, about half of the number.

It was the seventh inning before Weiser got a man on a base. They then scored two runs and another in the ninth.

In the first inning Ontario got a man to third, but the needed hit to bring him in was not made. Again in the second a man reached third, with three men on bases, when the batter was called out on a strike, which many thought should have been a ball as the catcher had to reach to get it. In the ninth Darnell scored on a hit by Dillard.

Brockman walked two, made one wild throw and struck out 13. Colemau struck out 6 and passed one.
