

## NEWS OF GENERAL INTEREST IN IDAHO

### Important Occurrences Of The Past Week From Cities In Our State

**Woman Is Found Guilty.**  
Coeur d'Alene.—"Guilt of assault with a deadly weapon." This was the verdict returned by the jury which sat in the case against Laura Brown, charged with assault with intent to kill, the offense having been committed at St. Joe on February 5. Mrs. Brown, who had shown considerable emotion during the trial, received the result in comparative calm. The penalty is not to exceed two years in the penitentiary. Judge Flynn announced he would pass sentence Monday.

**Double Tragedy Joined.**  
Boise.—The double tragedy that occurred at the Brown & Stewart sheep camp, near Mayfield, when Carl Sutterly, a German, shot John Hastings, a well-known sheepman, because he made fun of his broken English, and then committed suicide, was completed here when Hastings died at a local hospital. He was shot twice through the abdomen and, although he lingered several days, medical and surgical attention could not save him.

**Jerome Section Healthy.**  
Jerome.—Conditions in Jerome and vicinity are more healthful this spring than for the past three years. In the neighborhood of 1000 acres of land has changed hands since the first of the year, part of which has been purchased by newcomers, and a great deal by parties who have been on the tract for some time past, which shows the renewed confidence.

**Meet at Lewiston Arranged.**  
Lewiston.—The fifth annual inter-scholastic track meet for the schools of central Idaho and eastern Washington will be held on the local high school field Friday. There will be 20 schools represented, and the reports received indicate that there will be at least 125 athletes entered for the various events.

**Organize King Road Club.**  
Caldwell.—As a result of the visit of D. Ward King to this city, automobile owners of Caldwell have organized a King Drag Automobile club with a membership of approximately 100. It is said the club is the first of the kind to be organized in the country.

## CANADIANS WOULD HELP

**These Who Saw Service in South Africa Would Aid America.**

Lewiston.—That the Canadians are in hearty sympathy with the United States in the present difficulty with Mexico, was the assertion of Walter Sargent, of Anatone, who has just returned from an extended visit in Alberta and British Columbia.

"The English people and Canadians are as keen about the unsettled condition of Mexico as is the United States," said Mr. Sargent. "The sentiment in Canada is strongly with the United States and the English people have expressed a hope that the scope of operations may be extended until England will be allowed to join with the United States in clearing up all of the rebellious countries to the isthmus and even into South America. They regard the rebellions in Mexico, Central America and the South American countries as holding back the development of the richest sections of the world possessions and that the time has come for the nations to take a hand in restoring order."

"At Lethbridge there are 100 men who saw service in South Africa who are ready to come over the border and tender their services to the United States as soon as a call for volunteers is made."

**Smallpox Again in Shoshone.**  
Wallace.—Smallpox has made its appearance again in this district and 13 cases are confined in the isolation ward of the Wallace hospital, gathered from practically all portions of the county. The health authorities are at a loss to know where the contagion originated.

**Idaho Guard is Stirred.**  
Sandpoint.—Sentiment among the local national guardsmen is divided as to desire to go to the front. The majority of the company are eager for the fray, but some having wives and children to look after feel that their first duty is at home.

**Howe is Deputy U. S. Marshal.**  
Grangeville.—Mark Howe received from Boise news of his appointment as deputy United States marshal for the northern district of Idaho, with headquarters at Moscow.

**Gooding Starts Race for Senate.**  
Gooding.—Former governor E. R. Gooding of Idaho opened his campaign for the United States senate on the republican ticket in an address here

## OREGON NEWS NOTES OF GENERAL INTEREST

### Events Occurring Throughout the State During the Past Week.

**Want Men to Call Own Recall.**  
Eugene.—A writ of mandamus asking the circuit court to compel William Smeed, chairman, W. H. Wood, member of the school board, and W. J. King, clerk of the Waverly school district, in this county, to call a special election for the recall of Smeed and Wood, has been filed. The recall was invoked upon these men some time ago, but they refused to call the election. In their official capacity they were the only ones who could call such an election, and it is in this unsettled state that the matter has remained. The trouble is over the employment of a teacher and his salary, about which some of the patrons of the school complained.

**Registration for State is 179,716.**  
Salem.—Secretary of State Olcott announced Monday that the total registration as reported to him by the county clerks was 179,716. There are only four days remaining on which to register for the primary, and, unless there is a big increase on these days, the total will not be more than 200,000 or about 40,000 more than it was in 1912, when the women were not entitled to vote and the population of the state was considerably smaller.

**Coos Line is Rushed.**  
Marshfield.—The construction work on the Willamette-Pacific railroad, between Marshfield and the Tenmile lakes, a distance of 17 miles, is progressing as fast as labor can hasten it. Hauser & Houser, the contractors, have all but three miles and a half of the right-of-way cleared and it is expected the force of about 600 men will be doubled soon.

**Birds Come Back.**  
Klamath Falls.—Not in many years has the number of geese in the Klamath country been as large as now, when the big game birds are returning for nesting. All day and all night, the honks of flocks are to be heard, as the birds wend their way toward upper Klamath lake, and steamboat men say that the lake is literally alive with them.

## CAVALRY SURVEY IS MADE

**After Conference With Officials Lieutenant Hennessey Talks of Project.**

Portland.—Pendleton, Klamath Falls, Medford, and possibly Baker will be among the Oregon towns at which cavalry troops will be organized for the regiment projected by Lieutenant P. J. Hennessey, U. S. A., who is detailed as military instructor at the Oregon agricultural college, Corvallis.

It is regarded as certain that troops, consisting of about 65 men each, could be raised at each of these towns, and at other towns in southern, central and eastern Oregon. The Rogue River valley, of which Medford is the center, could possibly provide two or more troops. Another might be raised at Roseburg.

Lieutenant Hennessey came to Portland from Salem, where he had a conference with Governor West about raising the regiment. He found the chief executive enthusiastic over the idea, even to the point of announcing his desire to become a member of the organization.

## Polk Fair is Under Way.

Alexander was charged with the murder of John Norling and Curtis Masterson in a cabin on Sucker creek on January 13, and the present trial was for the killing of Norling, he not having yet been on trial for the killing of Masterson.

## To Dismiss Baker Cases.

Baker.—The case against all city officials of Copperfield, indicted following the crusade by Governor West, will be dismissed. District Attorney Godwin has announced, following the acquittal of Mayor William Stewart on a charge of violating liquor laws, by a jury in five minutes.
