Hill's Drug Store Policy.

Having purchased the Drug stock and good will of G. F. Bermele I wish to announce to the public that it is my intention to continue the business at the same place in the name of Hill's Pharmacy.

In undertaking this business here I first wish to pledge to the people of Ontario and vicinity my good faith, and assure them that it is my intention to make this a Drug Store with a conscience, and a Drug Store you can trust implicitly. I will aim to keep in stock at all times a reasonable supply of the drugs and sundries you want and all of the very best quality and at prices always right and consistent with the quality. My efforts will be directed to raise quality rather than to reduce price as I realize that quality is the only foundation on which a pharmacy business can be reared

We have ordered a fine new Soda Fountain and will add a full line of confectionery to our stock, and on the strength of our pledge of Top Notch quality at the lowest consistent price and of our earnest efforts to please we solicit your patronage.
