FARMERS INSTITUTES EXTENSION DIVISION

Park School, Nyssa, Owyhee and Bend on June 22 to 25th.

BOTH AFTERNOON AND EVENING

Farmers' Institutes will be held at various points in Malheur county, June 22-25. The work of the institutes will be closely related to the interests and problems of agriculture which is given. It will deal with such topics as: Diseases and insects which affect the potato crop, how to control the potato worm, methods of testing seed potatoes, and what to do with zero potatoes. The institutes will be arranged by W. E._Christ, agriculturist who will be assisted by Prof. H. F. Teas, Plant Pathologist, and Mr. L. R. Randel, F. H. Robinson. These extension workers are all well up in modern agricultural subjects and have but little experience in working with these problems as presented in Oregon conditions. Afternoon and evening sessions will be held at the various places as follows:

Arrangements have been made for a great number of folk to attend, because both local and the distant leaders of the agricultural co-operative movement, are invited. The speaker program is the general program for the different institutes. 

The last day of the program will be a social evening.

COMMERCIAL CLUB IN REGULAR SESSION

Some Agitation for a City Band to be Organized This Fall.

The regular meeting of the Commercial Club was held Monday evening, with a large attendance, and the weather, no doubt, contributed to it. A resolution was adopted, moved by Mr. W. A. Stockton, seconded by Mr. W. H. Stockton, requesting the Board of Trustees to consider the matter of having a city band. The Board was instructed to report the matter at a future meeting.

BIG MOVEMENT OF HORSES FROM RANGES

Mostly Going to Montana Markets for the New Ranchers.

MANY DOLLARS SCATTERED

There is quite a movement of horses from this district to the Montana markets. In the past week, the Soong's, for a few dollars consider, sold the horses which they bought some months ago. This movement is due to the fact that the demand in the Montana market is very heavy, and the prices are higher than they have been in the past. The horses are sold for about $100 to $125 each, depending on the quality of the horse.

Mount Lassen in Violent Eruption

Building, Cal.—Fire, smoke, steam, and destruction are everywhere to be seen. The building has been destroyed, not only from the earthquake, but also from the explosion which occurred near by. The explosion was so powerful that it blew down the building and filled the street with smoke and ashes. The fire is now under control, but the destruction is great. The town is now a heap of ruins, and the fire has done much damage.

The Annual School Election

A Large Number of Tax Payers Express Their Preference.

Women Get Into the Game

Monday was the second school meeting day and an election was held that showed quite an excitement for a short time.

Five people knew nothing about the election until Monday, the day before the election, and were not interested in it. One of the men who was not interested said he would not vote because he had not heard enough about the candidates. The other four men who were interested, on the other hand, said they would vote for the candidates who were known to them.
