### FIGHTING FIERCE AT LILLE

Saber and Lance Used When Great Forces of Horsemen Are Engaged.

Paris.—Saber and lance came into play many times when the French, British and German Hussars, lancers, dragoons and cuirassiers in enormous numbers came into contact near Lille.

There is not an inch of ground hereabouts which does not show traces of the awful character of the battle. The town of Albert is a mass of ruins, only a church steeple remaining standing. Roye has disappeared under constant bombardment. It was the center of the German effort to break through the allied lines.

Beyond Roye, where the fighting has been exceptionally severe for 15 days, as possession of the place means control of the railroad lines and also the road to Amiens, the allies continued their efforts to dislodge the Germans, who held on with wonderful tenacity. It was necessary for the allies to conduct regular siege operations to get at them.

### Boston Wins Opening Games.

Philadelphia.—In a pitchers' battle with a dramatic climax usually reserved for baseball fiction, the Boston Nationals defeated the Philadelphia Americans here in the second game of the world's series by a score of 1 to 0. As a result of the victory the Braves left for Boston with a two-game lead over the Athletics, having won first game by a score of 7 to 1.

### 600,000 FLEE INTO HOLLAND

Dutch Government is Swamped by the Flight of Belgian Refugees.

London.—Belgian refugees now in Holland number 600,000, according to the correspondent of the Exchange Telegraph company at The Hague.

"The Dutch authorities are greatly embarrassed by the refugees, who are incessantly streaming into Holland," adds the correspondent.

"Owing to the lack of railway material thousands were forced to wait on the roads for transportation. The Dutch government probably will take steps jointly with the German government for the speedy return of the refugees."

The Germans have pushed up from Antwerp and are occupying villages in the direction of the Dutch frontier, forcing the inhabitants to flee into Holland.

### Prisoners to Be Listed.

Paris.—The government is assembling exact information regarding the identity of 70,000 German prisoners now in French hands, with the object of exchanging this information with the German authorities for similar facts regarding French prisoners.

### Fatal Kansas Tornado.

Chanute, Kan.—Five persons were killed and 20 injured in a tornado which swept a path 18 miles wide through Wilson and Neosho counties.

## WHY You Should Vote For BOOTH

Republican Candidate For United States Senator

Are you better off now than you were under a Republican administration? Are you satisfied?

If you believe in the principles of the Republican Party, if you are convinced that these principles are best for the country, then prove it by voting for your standard bearer, Robert A. Booth, Republican candidate for the United States Senate.

You know that under Republican presidents the people of the United States have good times.

You know that under Democratic presidents you have Democratic times.

Remember the prosperity we had under McKinley, Roosevelt and Taft.

Remember the conditions under Cleveland and Wilson.

The issue in this campaign is not one of personality. It is not one of non-partisanship. It is a question of whether you prefer prosperity under Republican administration.

Do you have enough work? Are your wages good? Is your business what you want it to be?

If you are satisfied with present conditions, well and good; if you believe that the present situation is better than under McKinley, Roosevelt and Taft, you know what to do.

The way to bring back prosperity is to help elect a Republican Senate. The Republican candidate in Oregon is R. A. BOOTH.

This is a Republican year. Vote the ticket straight. REPUBLICAN STATE CENTRAL COMMITTEE, Portland, Oregon. Paid Advertisement.

## CITY COUNCIL HOLDS REGULAR MEETINGS

Some Important Measures Are Acted Upon

### A DEPOSITORY FOR CITY MONEY

The city council has been holding a series of meetings to take care of the extra business that had been coming up.

They met in adjourned session on the 29th to canvass the bond election which they did, finding everything had been done in legal manner and the result was spread on the minutes of the council. The mayor and recorder were ordered and directed to negotiate the sale of the bonds, soon as possible at a price not less than par.

The council adjourned to the 30th. The council met in adjourned session on the 30th.

The mayor stated to the council that he and the recorder had sold \$15,000 worth of the court house bonds at par to the First National Bank and also \$15,000 worth to the Ontario National Bank and that the meeting was held to report such sale.

The council then approved and confirmed the sale as reported.

The next meeting was the regular monthly session held on the 5th.

C. F. Loveland addressed council relative to a sidewalk on the east side of blocks 135 and 135.

Mr. Holderman addressed the council relative to the opening of the Barton road.

The usual bills were presented and allowed.

The monthly report of the city recorder, city treasurer and chief of the fire department for September were presented.

The usual liquor licenses were granted.

Ordinance No. 265 was passed ordering a wooden sidewalk to be constructed on Minnesota Avenue between Oregon street and block 154.

A communication from the Ontario National bank was presented offering to pay 3 per cent interest on monthly balances, furnishing security for same.

On motion the Ontario National was made the depository for the year.

## TEN STRONG REASONS FOR REMOVING THE COUNTY SEAT

1. The present court house at Vale is antiquated, inadequate and a disgrace to Malheur County, and would soon have to be supplanted by a new one.

2. If the county seat is removed to Ontario, the citizens of Ontario will alone bear the cost of the new court-house and removal expenses.

3. If a new court house is built at Vale, the whole country may expect to be taxed, according to Vale's figures at least \$200,000 to pay for it.

4. The present county jail at Vale is unsafe, unsanitary, and easy for prisoners to escape from, and will soon have to be rebuilt at a big expense to the taxpayers.

5. Many of the county records are endangered by fire, through lack of fire-proof vault facilities in the present court house at Vale.

6. Two-thirds of the people of Malheur County would be inconvenienced and benefitted by the change.

7. Accommodations at Ontario for visitors on county business in the way of hotels, lodging houses and restaurants, are far superior to those offered in Vale.

8. Thousands of dollars will be saved the taxpayers of the county through the elimination of extra mileage for witnesses and court officers.

9. It will remove from a selfish community domination in county affairs and county government to a community that has the best interests of the whole of Malheur county at heart.

10. It will save the taxpayers thousands of dollars a year in county government expenses, and the saving will gradually increase year by year.

Mr. Farmer can you realize now that Protective Tariff Protects you? Everything you raise was put on the free list by the tinkering pupils in the White House Professor's class, and every country on earth that can produce a thing that you have produced is rushing it to our ports at lower prices than our products can be sent there.

Free-Trade is foreign; Protection is native.

To many people a borrowtorium would be a blessed relief.\*

## GERMANS CAPTURE CITY OF ANTWERP

Garrison, Including Three British Naval Brigades, Leaves Before Surrender.

London.—Antwerp has fallen into the hands of the Germans, but its capture, important and stirring as it has been, was robbed of much of its intrinsic value, it is contended here, by the escape of the garrison.

The first official admission that the British participated in the defense of Antwerp is contained in an Admiralty announcement that three naval brigades, with heavy guns, had been sent there during the last week of the German attack. The announcement adds that in the retreat from Antwerp two of the British brigades reached Ostend safely. The other, however, was cut off to the north of Lokeren, a town in East Flanders, and 2000 of the men were interned in Holland.

The retreat of the Belgian army was accomplished successfully.

The Germans, after shelling the city itself for many hours, making it untenable, entered the town through the suburb of Berchem, to the east.

The real extent of the destruction within the walls of Antwerp will be slow in reaching the outside world from unpartisan sources, for the reason that communication with the city is either cut or entirely in the hands of military authorities. From The Hague it is asserted that the cathedral of Notre Dame has not been damaged.

### Important German Town is Captured.

Petrograd.—Capture by the Russians of the German town of Margrabowa was announced by the war office. The victory was an important one. Margrabowa is in east Prussia, about 10 miles within the frontier and on the railroad connecting Goldapp and Lyck.

### PARIS IS TARGET OF BOMBS

Twenty, 12 Being Women and Girls, Wounded by German Missiles.

Paris.—A score of bombs, launched on different quarters of Paris by two German aviators Sunday, killed four civilians and wounded 20 others, of whom 12 were women and girls. The damage done to property was small.

A pennant which was dropped at the same time as the bombs from the German airships bore the inscription in German:

"We have taken Antwerp; your turn will soon come."

The airmen appeared soon after noon. One began the attack by dropping a bomb near the Northern Railway terminal, another in Rue St. Lazare and a third, which landed at the rear of the Cathedral of Notre Dame. Three more bombs were hurled by the same airman in the vicinity of the Bourse.

The second aeroplane also flew over the cathedral, dropping four bombs, one of which lighted on the roof of the church. A second fell in the square, where the bishop's residence is situated. A third struck the parapet of the Quai de Bourbon and glanced off into the Seine.

### Marconi Falls in Suit.

New York.—The federal district court ruled that it had no jurisdiction in the suit brought against Secretary of the Navy Daniels and four naval censors by the Marconi Wireless Telegraph company of America, to prevent the government from keeping closed the wireless stations at Siasconset, Mass., and Sea Gate, N. Y. The company's application for an injunction was dismissed.

## ANTWERP LEVY IS \$100,000,000

London.—Germany has imposed a fine of £20,000,000 (\$100,000,000) on Antwerp as a war indemnity.

The population of Antwerp is about 292,000. The levy, therefore, is approximately \$342 per capita.

A dispatch to the Reuter Telegram Company from Amsterdam says that General von Bessler, commander of the German troops that captured Antwerp, has issued the following proclamation:

"To the inhabitants of Antwerp: The German army has entered your city as conquerors. No citizen shall be harmed and your property shall be spared if you refrain from hostile acts. All infractions will be punished according to the law of war and may lead to the demolition of your beautiful city."

It is said that the German soldiers are active in mastering the fire in Antwerp. Only public buildings were damaged. No prominent church was struck by a shell.

The Germans agreed in the terms of capitulation not to disarm the civic guards or make prisoners of males between the ages of 18 and 30 years.

## LIVED ON RAW EGGS

Mr. Richard's Experience With Different Diets. Peaches and Buttermilk for Three Years.

Cecilton, Md.—Mr. George Richards, of this place, during the past 12 years, has probably tried more different diets than the average person would ever use in a lifetime.

What he has to say about his experiments, must therefore be highly interesting to anyone suffering from indigestion or stomach troubles of any kind.

He says: "For more than 12 years, I suffered with stomach troubles, and paid hundreds of dollars for doctor bills and medicines. I was also operated on for piles. I lived on dried peaches and buttermilk for nearly three years. The only thing that would not give me pain was raw eggs. I was a physical wreck. I could not sleep, and was as near crazy as a man could well be."

I must say that after taking two 25-cent packages of Theodor's Black-Draught, it did me more good than all I ever spent for other medicines.

I have been working daily on the farm ever since, and I am as hard as iron. This purely vegetable remedy has been in successful use for more than 70 years. Try it. But be sure that it's "Theodor's."
