OREGON NEWS NOTES OF GENERAL INTEREST

Events Occurring Throughout the State During the Past Week.

Verdict in Arson Case "Not Guilty."
Portland.—"Not guilty," was the verdict returned by the jury in the case of Max Albert, charged with arson, whose trial was concluded in Judge Morrow's department of the Circuit Court. The trial was the first of a series of prosecutions of members of the alleged "arson trust," in which it was expected to show illegal activities of a group of Portland shopkeepers to defraud insurance companies. Indictments charging arson were returned by the August grand jury that involved nearly a dozen small merchants and one local attorney, David Pepp, who is charged with having counseled the setting of incendiary fires.

Veterans May Be Army Reserve.
Albany.—Believing that it is the first step towards making the members a reserve of the United States Army, Captain F. C. Stellmacher of this city, commander of the department of Oregon, United Spanish War Veterans, has received an order from the commander-in-chief at Washington to take immediate action to recruit camps to the fullest possible number. Similar orders have been sent to every state commander in the country.

Ex-City Official Guilty.
Astoria.—Dan P. Belcher, former city superintendent of streets, pleaded guilty in the circuit court to an indictment charging him with obtaining money under false pretenses by padding the July pay roll in the sum of \$60.50. The other indictments against him were dismissed. He was sentenced to five years in the penitentiary and paroled.

STATE TO LEASE LAKES

Land Board Will Receive Bids for Minerals in Water.

Salem.—The state land board fixed December 10 as the time for receiving bids for the lease of Summer and Albert lakes, which have value on account of mineral deposits contained in the water.

The bidders will each be required to file a surety bond in the sum of \$10,000 to guarantee that they will carry out the contract and the leases will be on a royalty basis of so much per ton. The bidders will also be required to name a minimum annual royalty so that there will be no delay in commencing operations after the contract is awarded.

Jason Moore a few months ago offered the board \$1,275,000 outright for the lakes. Another bidder offered more and the board decided it would be well to decline all the offers and take up later the question of disposing of the lakes.

Discussing the problem at the meeting, Governor West and Treasurer Kay, two of the three members of the land board, favored action by the board, rather than putting the question of developing the lakes over to the legislature. The bureau of mines, which has been making an investigation of the lakes, at the request of Governor West, will have its report ready November 1, said Governor West.

C. M. Sain spent \$75,000 in an effort to develop the products of the Oregon lakes some years ago and he was looked upon as a visionary dreamer by many people of the state. He was forced to drop his plan because of lack of capital. Since then several companies and promoters have offered schemes for the development of the lakes, most of them bearing the earmarks of wild-cat propositions.

Shipping Bad Fruit.

Hood River.—Because a large amount of fruit has been shipped from Hood River by private shippers who have placed inferior fruit on the market, the Apple Growers' association is making investigations into the matter of the shipment of diseased fruit and will prosecute the violations of the law regulating the shipment of apples.

Baker Cattle Have Blackleg.

Baker.—The first cases of blackleg reported in a long time have been found on the James Fleetwood ranch at Hereford, on Burnt River. Mr. Fleetwood has lost several calves and other ranchers in the vicinity are following the example set by Rouse Bros., prominent ranchers, in vaccination of calves.

Postoffice is Robbed.

Dallas.—Safecrackers blew the safe of the postoffice at Rickreall, taking \$150 in cash, but leaving all the stamps. All indications point to the fact that it was the same party that has been operating in the valley some time, and which blew up the safe at Airlie about three weeks ago.

BELGIANS REGAIN TERRITORY

Victory at Oortenberg Said to Cut German Army in Two Sections.

London.—An Ostend dispatch to the Exchange Telegraph company says:

"The Belgian troops have just gained an important success at Oortenberg, between Louvain and Brussels, cutting up a German corps and taking several prisoners. The line toward Liege has been occupied by the Belgians."

The Belgian victory at Oortenberg is regarded as especially important, as the German army occupying Belgium has been cut in two sections as a result of it. The victory was due in great part to artillery of heavy caliber which was used for the first time there.

The Belgian legation announced that the Belgians had again taken the offensive, which was being pushed satisfactorily. Malines and Aerschot were retaken. The Belgian legation said Belgians had destroyed the railway between Louvain and Tirlemont, thus cutting off the German communications between Brussels and Liege.
