Needlecraft Society organized

The young married ladies of Ontario have organized themselves into a club, henceforth to be known as the Needlecraft.

They meet twice a month and chat as fast as their needles fly while making Xmas presents or pretty things for the home.

Once a month these ladies honor their "best friends" by inviting them to join them in the evening to compete in a "500" game and have a good time.

The next day meeting is to be held at the home of Mrs. John Brosnan.

Mrs. Joe Staples was the first hostess in a series of "500" parties to be given by the Needlecraft Ladies, Friday Nov. 27th.

The living and dining rooms were beautifully decorated with smilax, ferns, and carnations. When the game was at its height cider was served to cool off the fast playing members.

At the close of the game refreshments were served in the way of ice cream, cocoa and cake.

The couples present were the Mr. and Mrs. Smith, Fiser, Chambers, and Holcombe. Favors were won by Mr. and Mrs. Fiser.

Many members were unable to be present and it was to be regretted as those present declared they had a very delightful time and promised to be on dock every time.

Announcement

A report was circulated last week to the effect that the Saturday night dances that are being held at the Moore Hall, had come to an end, and no one seems to know where this report started. However, it is untrue and the guilty ones profited by it this time, but hereafter, and until further notice the Saturday night dances at the Moore Hall will continue, when the present management resign they will give the public notice thru the columns of the Ontario papers.

Hereafter an admission of 25 cents to the hall will be charged gents without escorts. Ladies with or without escorts admitted free. The 25 cents paid for admission, entitles purchaser to three dances. Those who purchase tickets for the evening, no admission fee to the hall will be charged.
