at any season of the year would be a keg of our sparkling Seltz Beer, which is a good thing to have "on tap" in case of thirsty emergencies. This lager is the best, purest and most wholesome ever brewed, and will satisfy the most critical beer drinker. Being brewed from the best malt and hops, by a scientific method of brewing, it is naturally a perfect beer.

BALL GAMES ARE WON BY ONTARIO

The local high school had an easy time winning from the boys' and girls' basket ball teams of the Nyssa High School on last Friday evening at the Opera House.

The game began at 8 o'clock with the girls of Ontario and Nyssa in the field. The ball was in the Ontario territory most of the time and when it passed into the Nyssa territory it usually landed in the hands of one of Ontario's guards and was quickly worked back to the Ontario goal. The first half ended with the score 10-2 in favor of Ontario.

Immediately after the girls first half the boys began their game and played twenty minutes before the girls came back on the floor. The first part of the boys game showed the Ontario boys to be better than the Nyssa boys. During the last half of the boys game the team work was very much inferior due to over anxiousness of both teams. The first half ended with a score of 22 to 8 in favor of Ontario.

Following this half the girls played their last half which was largely a repetition of the happenings of their first half. The score at the end of the game was 22-3 for the Ontario girls. All of the Ontario points were made by Ruth Griffin.

The second part of the boys game showed more team work on each side, except that Ontario's defensive guard mis-judged the ball several times and played too forward which allowed the Nyssa forward to shoot several baskets which could have been prevented. The boys game ended with a score of 40-17 in favor of Ontario.

CHANGE IS MADE IN WILSON'S STORE

H.F. Ford has sold his half interest in the Wilson Bros., and Co., Grocery store to Ray Wilson, who is now sole owner. This store occupies more floor space than any grocery store in Eastern Oregon and carries a more complete line of staple and fancy groceries and would be a credit to any city. Mr. Wilson has been manager of the store since its opening five years ago and its success is a mark to his business ability.

Mr. Ford who has been a partner since last March, is an experienced enterprising and wide awake business man and his many friends regret to hear of his leaving Ontario. He will leave Christmas day for Seattle, where he will cover the Puget Sound Territory for Clossett and Devers.

chief accountant of the state insurance department. Richardson told of shortages totaling \$13,872.62 which he says have been unearthed recently.

The shortages ranged, at the time of the audit, from \$98.14 to \$7358.20. The former represented the shortage in the accounts of the treasurer of Josephine county, and the latter that in the accounts of the treasurer of Wheeler county. The Wheeler county treasurer has recognized his shortage by paying on it the sum of \$7000. The shortage claimed in the account of the treasurer of Baker county is \$1223.69, and that in the accounts of the treasurer of Marion county, \$116.66. The report shows a shortage of \$251.42 in the accounts of the sheriff of Douglas county, and that the county judge of Wallowa county is apparently short \$2867.25. Further, the reports show that the business affairs of Columbia, Crook and Gilliam counties have been

CAVALRY HORSES STILL BEING SOLD

The sales of cavalry horses are still going on in this vicinity, most of the local buyers selling to Caldwell contractors. There is some reluctance on the part of the local men to sell to Caldwell contractors as there will be too many getting commissions on the sales. Therefore a movement is on foot to get a British or French inspector in Ontario so that the local buyers may sell direct.

George Solomon Freed at Albany.
Albany.—George Solomon, indicted jointly with Vada Grier for murder in the second degree for the killing of the woman's husband, Frank Grier, was discharged following the acquittal of Mrs. Grier.

The case against Solomon was dismissed because of insufficiency of evidence to convict, inasmuch as Solomon had had no part in the actual killing.
