

Ask The First 12 Men You Meet

which is the "one best" wagon built, and at least ten of them will say "The Old Reliable Peter Schuttler."

All wagons look good when the paint is fresh, but it makes a lot of difference what is under the paint.

Old Reliable Peter Schuttler Wagons Are Built to Last

They are made in the honest, careful, old fashioned way, of three to five year air dried lumber—in the most modern and completely equipped wagon factory in the world. They are built to last—and they do last.

Peter Schuttler Wagons cost a little more than the "almost as good" kind but they save much more than the difference in first cost in time, horses, harness, repair bills and trouble.

Schuttler Wagons Stand the Wear Without Repair

Come in and let us tell you more about these famous wagons that for over three generations have been **The Standard Of The World.**

NEW PLYMOUTH.

Easter services were held at all the churches here, also at Valley View, both morning and afternoon. Special music and handsome floral decorations were a feature at all the churches, also programs of high order which reflected much credit upon those having the arrangements in charge. High mass was celebrated at the Catholic church, Rev. Father Nolan officiating. The wealth of Easter blossoms in this church called forth many words of admiration. At the Congregational Rev. H. F. Knight gave an especially fine address which he humorously calls his "Wooden" sermon, and which held the close and interested attention of a large audience. At the Baptist church potted plants, spring blossoms, and greenery made the interior of the edifice especially attractive. Rev. Hall gave a short address, the services being principally given over to Easter anthems by the choir and a program by the young people.

A number of Easter hostesses entertained friends and relatives Sunday at dinner, later enjoying the fine roads and sunshine by motoring to Payette, Ontario, and other points throughout the valley. Just now tulips, hyacinths, pansies and other spring flowering plants are giving a wealth of bloom and fragrance, while apricots and peaches are also contributing their share of bloom, thus making a ride through the valley doubly enjoyable.

John Fisher was perhaps the most surprised individual in New Plymouth

Wednesday evening, when 14 of his friends and neighbors came trooping in to wish him many happy returns of the day, the occasion being his 45 birthday. The happy surprise had been arranged by his wife and daughter, Miss Kathleen, who had also prepared a sumptuous dinner for the guests. P. M. Smock, in his usual happy way acted as toastmaster, everyone responding when called upon to say a few words. The guests presented Mr. Fisher with a handsome eight day clock as a slight token of their friendship and esteem.

Mr. and Mrs. H. D. Wood, of Gooding, Idaho, who have orchard interests in this section, are here for an indefinite stay at the home of Mrs. Wood's mother, Mrs. N. K. Miller.

The Entre Nons Club were delightfully entertained at the home of Mrs. W. B. Baker, Tuesday. Auction bridge occupied the ladies for several hours, the spirited playing resulting in high score being awarded to Mrs. A. Fisher, and the consolation prize going to Mrs. P. S. Farrel. The dainty lunch carried out the Easter idea and was especially enjoyed.

A man by the name of Ferguson met with a painful accident Monday noon which may be the means of his losing his eyesight. For some unaccountable reason a bung in a Rex spray barrel blew out, throwing the fiery liquid into his face and eyes. Some little time elapsed before he sought medical attention, and by that time he was nearly blind. Everything possible was done to relieve the intense pain, and the attending physician has hopes of saving the man's sight.
