LIVE SOCIETY NEWS

The Argus is always pleased to receive advance notices of society events that have not been printed; also news of those that have taken place. The latter should be in the office not later than Wednesday noon.

One of the most enjoyable social events of the year given by the Woman's Club will be the reception at the home of Mrs. L. Adam, Saturday afternoon, May 22nd, from 3 to 5 o'clock. This will be given by the members and old officers to the officers elected for the ensuing year.

The following members are on the committee for this event: Mrs. Adam, Mrs. Van Petten, Mrs. Drane, Mrs. E. G. Bailey, Mrs. Wood, Mrs. H. B. Cockrum and Mrs. W. C. Marsh.

The Tuesday Afternoon Bridge club met with Mrs. L. Adam last week. Red carnations and spring blossoms were used effectively as decorations. The prize for the highest score was awarded to Mrs. Billingsley. The afternoon's entertainment concluded very happily with the serving of refreshments.

Mrs. Cayou was a very pleasing hostess to the Silver Bridge club on Wednesday afternoon of last week. The fork was won by Mrs. Rambo, who had the highest score.

Mrs. E. C. Van Petten proved a charming hostess to the Ontario Music club last Saturday afternoon. A very enjoyable program of popular music was rendered. This will be the last meeting for this season.

An error appeared in this column last week in regard to the officers elected to carry out the program of the Woman's club for the ensuing year. Mrs. H. O. Drane was re-elected president, instead of Mrs. H. O. Brand as it appeared in the paper and was a typographical error.

Mrs. Dorman, who was recently elected president of the music club, has appointed the following committee to prepare the programs for next year's work: Mrs. Glover, chairman; Mrs. Weese and Mrs. McBratney.

Mrs. E. A. Fraser was hostess to the guild of the Episcopal church last Thursday afternoon. The next meeting will be held in two weeks at the home of Mrs. Goodfellow.

Millions Visit World's Great Panama-Pacific International Exposition at San Francisco

ALL RECORDS FOR ATTENDANCE BROKEN BY MARVEL EXPOSITION CITY AT THE GOLDEN GATE.

VAST CROWD GATHERED BEFORE THE HUGE TOWER OF JEWELS. ARE YOU GOING TO VISIT THE HUGE EXPOSITION?

THIS remarkable panoramic photograph shows part of the vast crowd that gathered on the opening day of the Exposition, Saturday, Feb. 20. The crowd was not only the greatest ever brought together in the west, but in vastness it broke all previous exposition attendance records. The grounds were thronged with visitors from every part of the globe, and the big attendance still continues. The opening day crowd was remarkably peaceful, and no arrests were made by the Exposition guards or military during the day, and but one child was lost, and it was returned to its mother within fifteen minutes. There were no accidents. The photograph above shows, on the left, the Italian towers guarding the entrance to the Court of Palms, next the Palace of Varied Industries and in the center and on the right the huge grand stand built before the Tower of Jewels. Here Secretary of the Interior Franklin K. Lane, acting in behalf of President Wilson; President Charles G. Moore of the Panama-Pacific International Exposition, Dr. Frederick J. V. Skiff, director in chief, accompanied by the thirty Exposition directors, welcomed the vast throng that assembled in Van Ness avenue and its lateral streets and, headed by Mayor James Rolph, Jr., walked on foot through the streets of the city and into the Exposition grounds through the Scott street entrance to the grand stand. At the time this photograph was taken Lincoln Beachey, aviator, had just appeared above the horizon in his flying machine, and the throng was awaiting Mr. Beachey's approach to circle the huge Tower of Jewels. Since the opening day the Exposition has been crowded with visitors from all parts of the world. Low railroad rates, the sunny skies of California and the opportunity to see the wonderful displays of the forty-two nations that are participating in the Exposition are drawing thousands to the Exposition city at the Golden Gate.
