OREGON GERMANS EXPRESS LOYALTY

(Special to The Argus.)

Portland.—Conservatives in the ranks of the German-speaking citizens of Oregon represent the majority sentiment in their stand on the position of the United States in the present European conflict. Delegates representing 30,000 members of the Confederated German-Speaking Societies of Oregon, met in ninth annual convention in Portland Sunday and adopted resolutions expressing loyalty to this country, but openly dissenting from the president and his secretary of state on issues arising from incidents which now have become matters of history.

The convention particularly dissented from the decision of the president and the secretary of state in the matter of exporting arms and ammunition to belligerent nations.

The convention formally declared a purpose to support the national government in its foreign relations; that it was unalterably opposed to the United States becoming involved in war with any of the European belligerents; declared its "sympathy" with the German cause and urged that the Americans aid or abstain in no way the conflict and bloodshed, and maintained a right to voice their sentiments.

ROSEBERG VOTES BONDS FOR LINE

(Special to The Argus.)

Roseburg.—By a vote of 565 to 78 the people of Roseburg authorized the issuance of bonds in the sum of \$300,000, with which to aid Kendall Bros., of Pittsburg, Pa., to construct a railroad from Roseburg to the line of the Cascade national forest reserve on the North Umpqua river, and erect a modern sawmill in this city.

With the bonds authorized the work of obtaining the necessary rights of way and millsite began immediately, and it is expected that actual construction work on the railroad will be in progress within 60 days. The railroad will be 30 miles in length and will represent an expenditure of about \$750,000.

ZEPPELIN RAID IS FATAL TO FIVE

(Special to The Argus.)

London.—A Zeppelin raided the east coast of England Sunday night, dropping incendiary and explosive bombs. Five persons were killed and 49 injured, an official statement announced here. Two fires were caused by bombs dropped by the hostile aircraft.

BIG BALANCE IN ACCIDENT FUND

(Special to The Argus.)

Salem.—A statement issued by the Industrial Accident commission shows that there is a total of \$337,561.12 available for the payment of accident claims. This includes \$128,619.38 set aside as a pension fund.

The total cost of the administration during the existence of the commission the past 19 months, is given as \$60,653.06. The total sum paid in during the 11 months the commission has been paying accident claims was \$572,971.33. To this sum the workmen contributed \$71,696.84, and the benefits received by them totaled \$374,229.47. The employers contributed \$410,929.27 and the total contributed by the state was \$90,358.22.

The total number of accidents considered was 4054, and of this number 59 proved fatal. During May there were 391 accidents reported to the commission.

GREAT ITALIAN ARMY MASSES AGAINST FOE

(Special to The Argus.)

Rome.—Three hundred thousand Italian troops have been massed against the Austrian defense on the left bank of the Isonzo. Two hundred thousand Austrians, it is estimated here, are attacking the hostile works. The battle is raging with extreme violence.

The main Italian attack is being pressed on the far slopes of Montevero and the neighboring Austrian artillery positions. These command the approaches to Tolmino, generally considered the key to the gateway of Trieste. Upon this battle largely depends the fate of the whole Isonzo campaign of the Italians.

Meanwhile on the Tyrolean front the Italians are making slow but steady progress in the direction of Rovereto, which guards Trent along the Adige valley.

Scattered reports from the front and from the coast tell of developments which indicate that Italy is losing no time in her aggressive campaign. Already the military authorities have confiscated under the provisions of the royal decree 67 Austrian and German steamships with a total of 216,770 tons.

EASTERN FIRM BUYS NORTHWEST BERRIES

(Special to The Argus.)

Hood River.—H. J. Davidson, president of the Fruit Shippers' council, employed by Hood River and White Salmon districts to market the strawberry crop this season, made a record breaking sale of strawberries, selling 60 cars to W. A. White, for C. H. Robinson company of Grand Forks, N. D., involving over \$80,000 f. o. b.

The sale will include all car shipments from date from Hood River and White Salmon valleys. This is the largest and best sale of strawberries made in the history of the business in Hood River.

SEND TRANSPORTS FOR REFUGEES

(Special to The Argus.)

Washington.—The army transports Buford and Kilpatrick, now at Galveston, will be sent to Vera Cruz to bring back American and other foreign refugees reaching that port from Mexico City on the trains now being arranged.

Under British auspices efforts will be made to take parties of foreigners by horseback and automobile from Mexico City to Pachuca, from which place there is railroad communication with Vera Cruz.

The American Red Cross will dispatch a shipment of medical supplies to the American, Spanish and French hospitals in Mexico City via Vera Cruz and send two more carloads of relief supplies to Monterey.

THREE MIDDIES ARE EXPELLED

(Special to The Argus.)

Washington.—The "honor" system at the Annapolis Navy Academy is on trial. Three midshipmen's expulsion and an inquiry into alleged misconduct in examinations of more than 100 others, including members of the graduating class, were ordered by President Wilson and Secretary of the Navy Daniels.

The annual examination "cribbing scandal" was declared by Secretary Daniels to be the most widespread in the history of the academy. Members of all classes are involved. Monday a complete board of inquiry began an investigation which may cause wholesale dismissal of cadets.

Of the three dismissed, one tried to bribe a mechanic to secure examination papers; two broke into a mathematics professor's room to learn their marks in examinations already taken. It is charged that dozens of cadets had complete or partial copies of examination questions to be asked.

ROUMANIANS WANT WAR WITH GERMANY

(Special to The Argus.)

London.—Reuter's correspondent at Bucharest telegraphs that a great demonstration was held there Sunday in favor of intervention by Roumania in the war in support of the allies. About 30,000 persons marched with flags flying and bugles sounding, to the Italian legation, where speeches were delivered eulogizing Italy.

Later partisans of Alexander Marghiloman, the conservative leader, together with socialists, organized a counter demonstration.

At a meeting of the executive committee of the conservative party, the attitude of M. Marghiloman in favor of Germany, was discussed. After a debate the majority condemned the leadership of the party. M. Marghiloman thereupon left the meeting, accompanied by his supporters.
