

DOOLITTLE GIVES MOTHERS INVITATION TO VISIT HIS DAIRY

Every mother in Ontario is invited to visit Doolittle's Sanitary Jersey Dairy any afternoon or evening and see how we keep milk absolutely pure and sanitary. We milk between 5:45 and 6:30 P. M. Every visitor becomes a customer and dozens of my patrons say it is the best milk they ever had in Ontario, that it is free from odors and that it is the first time they could drink all they wanted and feel that it was safe to do so. One lady said the only fault she could find with it was that it was so rich and clean that she wanted to drink a gallon instead of a quart. Phone 57—J 11

More babies die from drinking impure milk than from any other one cause. Many cases of typhoid and other diseases come from drinking unsanitary milk. Every cow in my herd is clipped monthly, washed before every milking and milked on clean floors. Every cow is tested for tuberculosis and other diseases. I personally weigh, strain, bottle and seal every drop of milk put out by Doolittle's Sanitary Jersey Dairy and guarantee you that it is clean. Give me a trial. W. H. Doolittle. Phone 57—J 11
