REMINGTON UMC

Shall It Be an Autoloading or Pump Gun?

THERE are many kinds of Autoloading and Pump guns—some to be had at very low prices.

But it is typical of sportsmen that the great majority prefer Remington-UMC Pump and Autoloading guns in the hands of the average man.

If you shoot at traps or in the field, go to the Remington-UMC Dealer in your community and let him show you these guns. You will know him by his display of the Red Ball Mark of Remington-UMC—Sportsmen's Headquarters—and he knows the difference in guns.
