

**Harnessed
With an Ox!**

A beast of the field! A brute that was once a man! A thing insensible to any of man's finer sensations, his only needs being sleep and enough food to nourish his gigantic body.

A monster that stands upright and throws its herculean strength into a yoke that drags a heavy plow.

His mind gone and in abject terror of his masters, he does their bidding as a beast of burden. But, sometimes when the lash sings round his ears, and the brute in him gets almost beyond a brute's control, there comes into his soft eyes a look it would be well for them to heed. Some day— But see the play! Read the story!

Neal of the Navy
