

PLAY OF CORN VERY LARGE AT NATIONAL CORN SHOW

ALL CORN GROWERS URGED TO ENTER TEN EARS AT ST. PAUL SHOW

St. Paul, Nov. 16. (Special)—From indications the management of the "First National" Corn Show, held here, feel safe in assuring the public that the largest display ever shown in the Northwest is open to the inspection of visitors at the show, which will be held at the new Railroad Building during the month of December.

Entries of ten ear exhibits from growers and farmers' sons in Minnesota, Wisconsin, North and South Dakota, Montana, Washington, Oregon and Idaho, the states included in the corn contest territory are being received daily at the St. Paul headquarters.

The fact that there is to be no competition between states and that each state has been divided into districts in such a manner that competition is practically local, gives each exhibitor an equitable opportunity to compete for the beautiful silver and "Goldyn Bronze" loving cups offered as prizes which total 136 in number and are valued at \$5000.00.

A distinctive feature of this Corn Show is the "Boys Corn Raising Competition" open to entries by boy corn growers throughout the Northwest, eighteen years of age or under. They will be awarded the same valuable trophies as are offered the adult exhibitor. No entry fee is charged. Exhibits will be returned to contestants where they express a desire that this be done at the time of making entry.

A Corn Show of this nature not only serves to stimulate interest in the question of corn production in the territory included, but in addition, its successful consummation means added publicity to the great agricultural resources of the Northwest.
