EXTEND TELEPHONE.

The writer has been informed that what has been known as the Burns-Juntura telephone lines have been incorporated into what shall be in the future known as the Intar-Mountain Telephone and Telegraph company, says the Burns News. This organization held a meeting last Monday and elected Mr. A. E. Brown and G. W. Cleveland on the board of directors and the capital stock was increased to \$20,000 of which \$10,000 is fully subscribed and paid in. It is the intention of the company to extend its lines into Carlow valley and from Lawen to the Warm Spring valley, thence to Riley. Many other extensions are contemplated in the near future.

CATTLE SUFFER NEAR BAKER.
 A Pleasant Valley correspondent in the Baker Herald, says: “Nearly every rancher in this vicinity has lost some stock this winter. John Troy lost two cows in one night last week. There is considerable stock in the hills yet most of it is in very poor condition owing to the shortness of feed in fall and the deep snow. Several are riding the range but report hard work as the snow has drifted and crusted.”
