The Only Tailor in Ontario

Across the Street from Postoffice

—You are bound to be interested sooner or later in what I have to offer. You want good Tailored Clothes... I am absolutely the only Practical Tailor. Therefore, the only way to get the correct garment is at my shop. I do not sell Chicago factory made goods and palm them off for home-tailored, and I do not handle factory samples, or run any "fake" game. I leave that for shoe-blacks, peanut vendors, or any other similar concerns. I am the only practical tailor in Ontario.
