COUNTY SCHOOL NOTES

By FAY CLARK, County School Superintendent

CRESTON NOTES

(By Miss Overstreet)
The school is spending extra time on their music during the "Week of Song."

A cupboard and book case are soon to be provided for the school room. This will enable the pupils to care for the materials for hot lunches and keep their library books in better condition. The cupboard is to be made somewhat like the one designed by Miss Milam of the O. A. C.

The grounds are drying so the pupils count on making their tennis court soon. This is one of the new games for the school this year.

Mrs. W. Yost and Mr. U. S. Yost have visited the school during the week.

Guy Shumway gave the school paper this week.

Frederick Yost proved the winner in the history contest Friday afternoon.

Russell Beers has built a new bird house of Juniper bark, for the school grounds.

The school celebrated Washington's Birthday with a short program.

BEULAH

(By Pupils)
Washington's, Lincoln's and Lowell's birthdays were observed by reading poems and stories.

Our attendance for the past month would have been one hundred per cent had it not been for the absence of one pupil.

The Bird Club held an interesting out door meeting observing live subjects. We wish to thank John, David and Donald McDonald for the three nice bird houses they made for the school.

The pupils have been reading the Beulah Star every two weeks. They also conducted the morning program one day last week.

The following names appear on the roll of honor for the month just past, Mae Murphy, Dollie Chandler, Raymond Chandler, Lane McDonald, Wanda Templeton, Donald McDonald, David McDonald, Lee Pearson, Margaret McDonald, Everett Pearson, John McDonald and James McDonald.

In the matter of certain school supplies the teachers of Oregon are fortunate, as compared with those in Idaho. In Idaho the teacher must pay 35 cents for a copy of the School Laws, 25 cents for a copy of the State Constitution and 25 cents for a copy of the State Course of Study. Such material is furnished free in Oregon.

The Alfalfa Heights school was closed for two days during the recent storm. The pupils in this school gave a very interesting program celebrating Washington's and Lincoln's birthdays. Those on the roll of honor for the month of January were Mary and Beulah Beeler and Ethel Walker.

The Riverside pupils neither absent nor tardy during the past month are reported as follows: Blans Orell, Buel Orell, Rhoda Armstrong, Paul Levee, Edgar Allen Poe and Theron Levee.

Mr. Thornburg, teacher in the McDermitt school, writes that the Oregon school and the Nevada school met in the town hall February 22 and gave a joint program for the pleasure of all of the McDermitt people. Burbank Day will be observed on the Oregon side. These schools are but a short distance apart.

The State Woman's Christian Temperance Union offers some very good prizes for essays written on the following subjects: for high school pupils, (1) Alcohol and Efficiency, (2) Alcohol and Labor, (3) Changes in the Medical Uses of Alcohol and (4) Alcohol and Heredity. State prize \$15.

For eighth and seventh grade pupils, (1) Alcohol and Athletics, (2) The Effect of Alcohol on the Nervous System, (3) Alcohol and Crime, (4) The Waste in Tobacco Smoke, A year's loss in money and health. State prize \$15.

For lower grade pupils, (1) Why Employers Have No Place for the Cig-

arette Smoker, (2) The Harm in Using Tobacco, (3) The Standing of the Smokers in their classes and in athletics. State Prize \$5.

For further information concerning these essays which are due April 15, write to your county superintendent or Mrs. Bertha E. Buland, 604 Maple St., Portland, Oregon.

In the Mooreville school, Area Moore, Hazel Dutcher and Oleta Dutcher have been neither absent nor tardy during the past month.

NOTES FROM THE ECHAVE

Reported by Miss Iredale.

Four of my pupils have received one hundred in spelling every day since the Christmas vacation. Their spelling lessons consist not only of the mere spelling of words but of using them correctly in sentences. Our big, new dictionary is in great demand.

A week ago last Friday we spent the last hour of school enjoying what we termed a party. It was two of the children's birthdays so, we celebrated their birthdays and Lincoln's also. The children had often wanted to know what a party was. We played games, had lunch and made candy.

My oldest pupil has left school because of the great amount of work to be done at home. We were sorry to lose him. He was doing such good work in school and was beginning to use his English fairly well.

Jesus Lauricira is out of school because of a foot which was frozen one night when they became lost while out on a trip. Secunda Lauricira has also been ill for the past week.

PIONEER ITEMS

The sixth grade class has just completed the study of Evangelina and have written the story.

Edna Putnam has returned to school after four week's absence on account of a broken arm.

The boys have made their bird houses and the girls have finished their towels. They will begin work on aprons and caps next week.

Owing to the severe snow storm we had school closed one week and a day. The pupils were unable to get to the school house.

The board of directors, at their meeting, will consider getting water on the school grounds. If they are successful the children will set some trees and make flower beds. They are going to start flowers for the windows this week.

A wise man oft times changes his mind. The fool has no mind to change.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying its foundation of the disease, and giving the patient strength by building up the system and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer \$100.00 for any case that fails to cure. Send for list of testimonials.
