COUNTY SCHOOL NOTES

By FAY CLARK, County School Superintendent

Superintendent Churchill will come into the county Wednesday noon, March 29. Wednesday afternoon he will visit the Nyssa schools. Thursday forenoon he will be in the Ontario schools and will go on to Vale for the afternoon. Thursday evening the people of the White Settlement district and the surrounding country will have an opportunity to hear Supt. Churchill at the White Settlement Schoolhouse. Friday will be spent in the School Board Convention to be held in Vale and Saturday he will be the principal speaker at the local institute in Ontario.

Miss Cowgill, Mr. Maris, Mr. Howard and Miss Clark spent the two weeks from March 6 to 19 organizing Industrial Clubs in the schools of the county. A great deal of interest in this work has been manifested and a splendid showing of exhibits may be expected at the fairs next fall.

Bonita Items

(Reported by Miss Briggs)
Saturday, March 18 was "Clean-up Day" for our school and quite a number of the parents and the children were on hand to help. At noon a picnic dinner was enjoyed and when the work was finished, the men raised our flag for the first time.

The plan of providing hot lunches for the children is being tried out in this school and so far it has been a success. The children all take such an interest in the work.

Among the new play apparatus added to our school is a basket ball. Kenneth Logan, a sixth grade boy and Richard and Victor Reed, fifth grade boys, have made a sand table for the smaller children.

Some neat work is being done by the girls in their sewing class. Bernice Schroder received 95 per cent and Freda Logrn 90 per cent on articles completed last week.

We are sorry to lose one of our pupils, Ida Reed. She was married at Brogan Tuesday.

At our Literary Society meeting last Friday afternoon colors were chosen and it was decided to get a pennant for the school.

White Settlement Notes

(By Mrs. Roberts)
Our boys have been very busy this week working on their play apparatus which they have completed. We are now ready for recognition as a Standard school.

The Literature class is making an intensive study of "The Merchant of Venice."

One section of our fourth grade has been promoted to the fifth grade and they are doing good work.

There is quite an improvement in our singing since the introduction of regular instruction in music by Rev. Cook of Vale.

The White Settlement school will be represented in the County Oratorical Contest by a member of the eighth grade.

The pupils of the White Star School entertained the pupils of the Grove district last Friday. A spelling match, games races etc., the order of the day. A good time is reported.

The pupils on the Honor Roll in the White Star school are: Crystal Stacey, Bertha Pederson, Homer Richmond, Henry Richmond, Wendall Thayer, Mildred Stacey and Gladys Pederson.

The Annex and Hillside Schools in District No. 29 gave a box social a week ago Saturday evening. Miss Weir of the Hillside school reports that their portion of the proceeds is ten dollars. The money has been spent for a croquet set and a base ball outfit. The boys and girls are greatly interested in Industrial Club work.

The Arcadia people have recently standardized their school. Wonderful improvement has been made in this school during the past two years. Much credit is due the Parent-Teacher organization.

WITH THE CITY CHURCHES

BAPTIST CHURCH NOTES

We have in our mind three classes of people. The first are the children who have not entered fully out into life's activities. Their little lives are pure from the contaminations of sin. Then, we have the aged that have about run their race in life and are waiting for the call to the higher life. Two of these classes we have with us in our services; the children and the aged.

It is the middle class to whom we appeal in these addresses, "Three Bad Bargains." The special topic for next Sunday evening, "The Man Who Traded Substance for Shadow." We appeal to the people of Ontario to hear this address. It will do every one good. Services at 8 o'clock. Morning service at 11 a. m. Topic: "A Sad Spectacle and the Supreme Vision." The observance of the Lord's Supper will follow the morning worship. The members of the church are urged to be present.

Our young people's services are well attended and interesting. Clara Craig will lead the meeting, topic: "Consecration of Time."

Topic for prayer meeting and Bible Study Wednesday evening of next week, "The Kingdom of God in Prophecy." These Bible studies will be interesting to everyone, so come and get them.

A hearty invitation is extended to the public to attend all the services and enjoy the splendid fellowship with us.

Preaching at Arcadia at 2:30.

D. E. BAKER, Pastor.

UNITED PRESBYTERIAN CHURCH

SCHOOL CADETS

TAKE A HIKE

Everything was favorable last Friday for the second hike this year of the high school cadets and the conditions were taken advantage of by the boys who spent a very enjoyable time on the Idaho side of the Snake river where they were camped. In the middle of the night the weather seemed to change its tactics and some very distinct drops of rain were felt by those who were rolled up in snug comfort on the bosom of mother earth as well as those less fortunate who were compelled to tread the grass guarding against any one who should make so bold as to try to get out of or into the first line of defense.

Some boys came over the river in a boat late at night and caused the dutiful guards some grief by trying to go through their line and getting some of the contents of the grub boxes.

Those who had an hour's sleep during the night were the lucky ones as most of them made it a point to uncover anyone who tried to put on any artificial clothing in the form of bed clothes, and judging by the mournful glances of some of the would-be sleepers, those who tried to make the hike a wide-awake affair were entirely successful.

In spite of the sleeping difficulty the trip was enjoyed to the utmost and it cannot be disputed that "Mother's lunch" was enjoyed perhaps more than it ever was before by the hungry bunch who settled themselves for a feed more than three times during the day sent in the camp.

We'd just be eternally tickled if we could ride around in an auto like so many of our neighbors are doing. But alas! Those delinquent subscribers who always forget to think.

Too proud to fight? Villa won't think so.
