Prosperity Every Day in the Year Under Our Right Selling Plan

ARE you in the habit of paying the same bill twice? Yet, you'll cheerfully buy a suit under "clearance sale methods" and pay your clothier two profits and never say a word—one profit for the suit he sells you now, and the other for the suit he sells somebody else during "clearance time"—You can buy your suits and furnishings here now for a price as low as the so-called "clearance" figures—You'll get more value than you dreamed possible. Hart, Schaffner & Marx and Clothcraft makes are the lowest priced clothes you can buy, if you consider what you get for your money.
