Truly the Most Remarkable Money Saving Event Ever Advertised By This Or Any Other Store In Ontario

## Lampkin's Semi-Annual Clearance Sale Of Greater Magnitude than Ever Before

There is a whole lot of satisfaction to you and to ourselves in the fact that our Semi-Annual Clearance Sale makes many new friends as well as cementing the bonds of friendship with our old customers. Those who have attended these sales in the past know that it is not a sale intended to induce the public to buy inferior goods at cheap prices, but is a means by which our surplus stock—that we cannot afford to carry over for another season—may be disposed of, to the buyer's advantage

In spite of the rapidly increasing cost of everything pertaining to Ladies, Misses and Childrens Wear we are able to quote extremely low prices on the same quality of goods we have always carried, and from a money saving standpoint, this is the most important event held in Ontario for years
