ONTARIO LOSES GAME

BY NARROW MARGIN

The Ontario high football squad traveled to Boise last Saturday and received for a two to nothing beating at the hands of the fast Capital city warriors. The game was closely contested throughout with Ontario on the defense most of the time. The Boise backs when in the center of the field made yardage time and again but when near the goal lacked the necessary punch to buck the ball across the line for a touchdown.

The ball was kicked off to Ontario who failed to return. After a couple plays a fumble gave the ball to Boise and then both teams entered a fumbling competition. Ontario managed to hold on for a couple of downs and then dropped back for a punt. The signals were mixed and the ball sailed high and dry over the goal. Maddux in recovering was tackled back of the line, a safety being registered on the play giving Boise the only points of the game. Later Duncan hid out near the sideline and ran fifty yards and planted the ball back of the goal posts for what seemed a touchdown but a penalty gave the ball to Boise on the thirty yard line. Husted's excellent punting kept the ball out of Ontario territory. Several times he got the ball beyond the safety.

The work of the Ontario team as a whole showed vast improvement over the game at Caldwell, the defeat being due to much stronger competition.

Nampa will arrive for a game Saturday and on comparative sources Ontario has the edge. However there is no overconfidence in camp and a hard battle is expected. An

appeal for more men to buck the first team line met with a hearty response and over twenty men have been turning out for practice this week giving the first string men some much needed competition.

The game with Caldwell was called off because Caldwell used an ineligible player. The game will be played over again, this time at Ontario and the date has been set for Thanksgiving Day.

The first league game will be the Nampa game as Boise is not in the league. The Ontario team has games here with Payette, Weiser, Nampa and Caldwell. One other game, that with Emmett, is scheduled away from the home grounds.

MORE FAMOUS PLAYER

PICTURES FOR DREAMLAND

For Saturday evening and for next Wednesday evening Manager S. D. Dorman has listed two more extra fine productions by the Famous Players company. These on top of the productions during the past week, which included Macklyn in "The Reform Candidate," and Charlie Chaplin in "One A. M." continue to draw patrons to the popular amusement place.

For Saturday evening the attraction will be that old favorite, "The Old Homestead" with an efficient cast.

After more than thirty years of continuous and unparalleled popularity as a play, during which period it circled the globe three times and was presented to twenty million people, Denman Thompson's immortal rural classic, "The Old Homestead," has been converted into a "Paramount Picture" by the Famous Players Film company, thus truly immortalizing what may justly be termed the greatest single triumph of the American stage. It was the irresistible simplicity of the human play and its tender story which bases its appeal upon real heart-interest and upon its depiction of every-day characters that everyone recognizes, that have made its popularity endure for more than three decades. It was this fundamental wealth of universal interest that caused "The Old Homestead" to become the foremost dramatic classic of our time and makes the photo-play adaptation of the lovable play one of the most important screen events in all the annals of motion pictures.

Pauline Frederick Wednesday. Henry Arthur Jones, the brilliant English satirist never wrote anything more convincingly powerful than his new play, "Lydia Gilmore" in which the fascinating star, Pauline Frederick will be seen on Wednesday evening.

Pauline Frederick, the distinguished, emotional actress who has won international fame by her admirable screen interpretations of "Zaza" and "Bella Donna," adds another remarkable characterization to her list of successes in the Famous Players Film company's thrilling picturization of Henry Arthur Jones' powerful drama, "Lydia Gilmore." In this famous emotional role, Miss Frederick suggests with infinite strength and pathos the faithful wife and devoted mother who suffers indescribable mental agony to shield her husband's name and save his life after he has been proven to be faithless to her and the murderer of the man whose home he had violated. The intense struggle she exerts in her great mother-love to save her son from going through life with the brand of Cain, is one of the most vital and tender dramatic episodes ever witnessed on the screen. "Lydia Gilmore" strengthens the position Miss Frederick has already established as the foremost emotional artist of the stage and screen.

SEWER IMPROVEMENTS

ORDERED BY COUNCIL

Special Meetings Held This Week to Enact Ordinance Requiring Sewer Connections.

Two special meetings of the City Council were held during the week. One on Monday, the second on Wednesday. At the latter meeting an ordinance was passed giving the council power to compel the connection with sewers when within a given distance from such. The measure also defines sewer districts and provides for means of enforcing this regulation.

Tax Levy Discussed.

The council also, informally, discussed the question of tax levies for next year. On the present valuation as returned by the assessor and passed by the board of equalization, to raise the funds needed for next year the council expressed the belief that it will be necessary to raise the levy from 44 mills to 60 mills. Definite action on this matter will be taken at the next meeting.
