WOMEN'S CLUB NOTES.

The Ontario Women's club held a very pleasant meeting in the library Thursday, October 19. Nineteen members, including two teachers were present to enjoy Mrs. Letson's report on the state federation convention, also the readings on Panama by the club.

The lady teachers of the Ontario schools were entertained by the members of the Women's club at the home of their president, Mrs. E. M. Greig, on Saturday, Oct. 21.

The rooms were decorated prettily with the club colors, yellow and white. "Jack Frost" had spared enough manikinds, nasturtiums and

California poppies to make several clear banquets.

Most everyone busied herself with some kind of fancy work and the afternoon was enlivened by an "old clothes auction." The garments "purchased" were done and some costumes provoked much merriment. Dainty refreshment were served by the entertainment committee, Mesdames Newton, Emison, Pogue, Taggart and Bailey.

COL. ROOSEVELT APPEALS FOR THE ELECTION OF MR. HUGHES.

I appeal to my fellow citizens that they shall elect Mr. Hughes and repudiate Mr. Wilson because only by so doing can they save America from that taint of gross selfishness and cowardice which we owe to Mr. Wilson's substitution of adroit eloquence for straightforward action. The permanent interests of the American people lie, not in ease and comfort for the moment, no matter how obtained, as Mr. Wilson would teach us; but in resolute championship of the ideals of national and international democratic duty, and in preparedness to make this championship effective by our strength. President Wilson embodies in his person that most dangerous doctrine which teaches our people that when confronted with really formidable responsibilities we can shirk trouble and labor and risk, and avoid duty by the simple process of dragging our souls with the narcotic of meaningless phrasemongering. Mr. Hughes, to the exact contrary, embodies the ideal of service rendered through conscientious effort in the face of danger and difficulty. Mr. Wilson turns his words into deeds only if this can be achieved by adroit political maneuvering, by bartering a debauched civil service for congressional votes on behalf of some measure which he had solemnly promised to oppose. Our own self-respect demands that we support the man of deeds done in the open against the man of furtive and shifting political maneuvers; the man of service against the man who whenever opposed by a dangerous foe always takes refuge in empty eloquence.—From the Speech of Col. Roosevelt at Battle Creek, Michigan, in Behalf of Mr. Hughes.

GREAT GROWTH OF HUGHES NATIONAL COLLEGE LEAGUE

Thirty thousand college alumni have enrolled so far in the Hughes National College League, 511 Fifth Avenue, New York. The oldest living graduate of Brown University, which graduated Governor Hughes, enrolled this week. He is the Rev. John Hunt of Springfield, Ohio, ninety-three years old, Brown, 1842.

The league challenged the Woodrow Wilson College Men's League this week to join it in "having any reputable audit company in this city check up immediately from the original cards your actual enrollments of Princeton alumni and ours, your total enrollments and ours, and your enrollments from any college you may select and ours."

The college men in the National Guard along the Mexican border are joining in droves, according to the officers of the league, and many have written in to signify their discontent with the Administration's handling of the Mexican situation.

William R. Moody, son of Dwight Lyman Moody, the famous evangelist, wrote to the league offering his assistance in East Northfield, Mass., and said:

"I am among those who feel very strongly that it would be a national disaster to have the present Administration continued another season, feeling deeply the humiliation to which our country has been subjected in the sight of the world, by the lack of any foreign policy, and by the vacillation of its dealings."

The Administration ought to be able to take a comfortable rest. It has turned pretty much everything over to commissions from the Mexican question to the tariff. The talent for shirking responsibilities comes handy sometimes.

WITH PULPIT AND PEW

BAPTIST.

Last Sunday was a god day for us. Rousing services both morning and evening. Topics for next Sunday: 11 a. m., "The Indwelling Christ." 7:30 p. m., "A Beautiful Tree."

An earnest invitation is extended to the public to attend these services. D. E. BAKER, Pastor.

METHODIST.

The evangelistic meetings held in the Methodist church and conducted by the Mills Evangelistic party are increasing in interest and attendance. The song service and special music each evening has been a great attraction.

E. L. Mills, the evangelist, has preached powerful sermons which are convincing and uplifting.

A large number of boys went on a hike last Friday with J. R. L. Haslam, the boys worker, and an enjoyable time was reported by each one. Another hike is being planned for the last of this week.

As the meetings will close Sunday night everyone should avail themselves of these good opportunities and attend every evening.

Political Jottings

The Wilson Keynote.
In his keynote to the demands of the trainees, in his sacrifice of the sacred principle of arbitration on the altar of peace at any price, we see, in review, the whole philosophy of the Wilson theory of government and nationalism.

"It is better to run than to fight." That theory is at work in American government today for the first time.—Boston Journal.

The Wilson Waits.
In view of recent events the following formula overheard on a hotel veranda may be of interest: The Wilson waits, one step forward, three steps backward, hesitate, then sidestep.

The Administration is depressed by the reflection that under no circumstances can it postpone election day.

Wilson insists that he will never recognize government by assassination, but he hasn't cut off relations with those who have assassinated Americans.

The first President and the first Congress that ever submitted to a hold-up.

And, by the way, nobody will ever be able to claim this was a regular Democratic Administration unless we have a bond issue before March 4, 1917.

Betting on Hughes and Wilson is dangerous both to Democrats and Republicans. In one of the New England states such a bet was made a few days ago. The officers heard of it, and they arrested the Republican on a charge of robbery and sent the Democrat to an insane asylum. Be careful.

One thing we must all admit—the President is never too proud to side step.

A surplus of \$5,200,000 from the postal service during the fiscal year ending June 30 is reported by Postmaster-General Burleson. With the department more than paying expenses it would seem that the executive officials could afford to keep on the payroll members of the National Guard who responded when the President called out the Organized Militia for duty on the border.

THE UNIVERSAL INSTRUMENT

Thirty years ago the telephone was a luxury. Today, through personal initiative and private enterprise, it has become a necessity within the reach of everybody. Where once a business had but one telephone with a limited talking range, today that business has service with a range three-quarters of a continent broad, and every branch of every business is linked to every other by an intercommunicating telephone system.

The telephone has earned its responsible place and there are now 3,000,000 Bell telephones in this country, over which go 26,000,000 talks daily.

Every Bell Telephone is a Long Distance Station.

Pendleton Normal School Proven Necessity

(Copied from Portland Oregonian.)

MONMOUTH, Ore., June 26.—The Oregon Normal school opened this week . . . students enrolled 750, largest on record for state Normal in Oregon . . . how to care for large student body a problem . . . 800 being crowded into auditorium with seating capacity of 550. Galleries filled with extra chairs in aisles. More than 150 students seated on platform. New boarding houses completed, additions to rooming houses built and tents used. One hundred girls sleep on upper floor of school.

The official school report gives 150 grade pupils in Monmouth, for teacher practice.

By James Withycombe, Governor of Oregon:
"Oregon is unquestionably in need of more normal school work and Pendleton is the logical place for a school of this class in Eastern Oregon."

By J. A. Churchill, State Superintendent of Public Instruction:
"I trust that the voters of the State will assist in raising the standard of our schools by establishing a State Normal School at Pendleton."

By P. L. Campbell, President of the University of Oregon:
"At least one additional Normal School is urgently needed in Oregon."

By W. J. Kerr, President of the Oregon Agricultural College:
"Since the people of Pendleton are initiating a measure for the establishment of a Normal School at that place, it will give me pleasure to support this measure."

By J. H. Ackerman, President Oregon Normal School, at Monmouth:
"A careful analysis of the situation will convince any one that Oregon needs a Normal School in Eastern Oregon and Pendleton fills all the government requirements."

By the County School Superintendents of Oregon:
"Resolved, that it is the sense of the County School Superintendents of the State of Oregon, in convention assembled, that the best interests of the schools of the State demand increased facilities for the training of teachers, and that we, therefore, endorse the initiative measure to establish a Normal School at Pendleton."

By Mrs. Charles H. Caetner, President of the Oregon Federation of Women's Clubs:
"I most heartily endorse the location of said Normal School at Pendleton."

Prof. Robert C. French, Former President of the Normal School, Located at Weston:
"An immediate establishment of such a school at some central point such as Pendleton would prove a great asset to the State of Oregon."

B. F. Mulkey, Ex-President Southern Oregon Normal School:
"I shall support the location of an Eastern Oregon Normal School at Pendleton."

State Board of Regents of Oregon Normal School declares that "the necessity for additional Normal school facilities in Oregon is apparent."

Portland Chamber of Commerce endorses measure 308 and says Pendleton most logical location for Normal school in Eastern Oregon.
