

**The Week With Ontario Citizens**

(Local—Personal)

Just born at the dog and pony show, a baby monkey. The mother and the tiny Stantan will be shown in the menagerie. This is a wonderful attraction. This little baby is four weeks old and perfectly healthy little fellow. In this country the little new born monkeys live but two to three days, as our climate is too severe for the little strangers. This little fellow, now four weeks old, seems fair to be one in a thousand to grow into good big monkeyhood. The carnival will be held under the auspices of the Commercial Club.

Mrs. Jeanette Evans went Tuesday as a delegate to the national convention of the Women's Missionary Society of the United Presbyterian church, which meets this year at Sterling, Kansas. Mrs. Evans has relatives in Sterling and will also visit her former home at Kansas City, Mo.

The Chautauqua Circle held its final meeting for this year at the home of Mrs. Lucy Fox Tuesday evening.

At a meeting of the Ministerial association this week it was voted to follow the established custom of rotation for the Sunday memorial service. Hence the service will be held in the Baptist church and Rev. W. M. Brown of the Presbyterian church will preach the sermon. All of the churches are to participate. All of the veterans and their families are given a special invitation to attend May 27. Earl Hanna, Chairman of Association.

There will be lots of games, lots of shows, lots of rides and lots of fun at the carnival. The Midway will be well lighted. One ride alone, "The Carry Us All," is illuminated with 300 electric lights. Also the big Kly Ferris wheel, 60 feet in the air, is ablaze of glory. Bands, lights, music and fun along the Midway.

Under the auspices of the Commercial club.

Mr. and Mrs. Otto Blackaby and baby of Homedale spent the week end here visiting at the J. R. Blackaby residence.

Under a big stretch of canvas, one of the features of carnival week will be Bulger's Dog and Pony shows and menagerie. This is one of the real animal shows on the coast. The dogs are wonderful performers and the Billy goats are a family of funny trained comedians. The ponies are all that is dear to the heart of children. Even the little pigs go through their stunts in a right merry fashion. The carnival is under the auspices of the Commercial Club.

City Attorney P. J. Gallagher and Frank Rader returned Tuesday from Portland, where they attended the Knights of Columbus convention. Mr. Gallagher was one of the banquet speakers Sunday, speaking on the subject, "Knighthood in Eastern Oregon." At the election of officers L.O. McCoy was again named State Treasurer.

Attorneys W. W. Wood and E. W. Swagler attended the Supreme Court session at Pendleton last week. They report the calendar the lightest in years, there being only 12 cases on the docket. Litigation over the state is away below normal report court officials.

Attorney R. W. Swagler addressed a meeting of the Big Bend Improvement company Saturday evening. The meeting was held for the purpose of discussing ways and means of raising funds to improve the park and erect a building on the company's grounds.

Mrs. Dr. Keene of Spokane, Wash., was in town Friday afternoon and evening addressing the ladies of the Methodist church in the afternoon and a public congregation in the evening in the interest of the Woman's Foreign Missionary Society.

Miss Mary Johnson of Chico, California, arrived here Monday evening for an extended visit with her uncle, C. S. Johnson and family, who reside on the bench west of the fair grounds.

**Fewer Eggs are required with ROYAL BAKING POWDER**

In many recipes the number of eggs may be reduced with excellent results by using an additional quantity of Royal Baking Powder, about a teaspoon, for each egg omitted. The following recipe is a practical example:

**Chocolate Sponge Roll**

1 1/4 cups flour	2 tablespoons melted shortening
1/2 teaspoon salt	1/4 cup hot water
1 cup sugar	1 teaspoon vanilla
2 eggs	2 teaspoons Royal Baking Powder
2 squares melted chocolate	

The old method called for 4 eggs and no baking powder

**DIRECTIONS**—Sift flour, baking powder and salt together three times. Beat whole eggs. Add slowly sugar, then boiling water slowly; add next vanilla, melted chocolate and melted shortening, without beating. Sift in dry ingredients, and fold in as lightly as possible. Pour into large baking pan lined with oiled paper, and bake in slow oven twenty minutes. When done, turn out on a damp, hot cloth, spread with white icing and roll.

Booklet of recipes which economize in eggs and other expensive ingredients mailed free.

**THE UNIVERSAL INSTRUMENT**

Thirty years ago the telephone was a luxury. Today, through personal initiative and private enterprise, it has become a necessity within the reach of everybody. Where once a business had but one telephone with a limited talking range, today that business has service with a range three-quarters of a continent broad, and every branch of every business is linked to every other by an intercommunicating telephone system.

The telephone has earned its responsible place and there are now 8,000,000 Bell telephones in this country, over which go 26,000,000 talks daily.

Every Bell Telephone is a Long Distance Station.
